

REQUEST FOR NAME CHANGE

DOCKET # A-2026-3059917

02/03/2026

Dear Pennsylvania Public Utility Commission
Bureau of Investigation and Enforcement,

I am writing regarding a paratransit application that is currently under review. I respectfully request an amendment to the applicant's name listed on the application.

The original application was submitted under one limited liability company; however, the application should reflect a different limited liability company as the applicant. This request is being made to ensure the PUC's records accurately reflect the correct legal entity intended to hold operating authority.

This change is limited to the applicant's legal entity name. There is no change in the nature of the proposed paratransit service, and operational intent remains the same. Please advise if any additional documentation, amendments, or refiling is required to process this request appropriately.

For reference, the application details are as follows:

- Application/Docket Number:A- 2026-3059917
- Current Applicant Name on File: Warm Hearts Home Care services
- Requested Applicant Name: Serlau LLC

*Serge Lauture should be added to the list of members of the requested llc (Serlau)

Thank you for your time and guidance. I appreciate your assistance and look forward to your direction on the next steps.

PS Please forward to the right Chanel if you cannot help

Sincerely,
Regine Lauture
