Re: Pennsylvania Public Utility Commission v. Wellsboro Electric Company;
Compliance Supplement

Dear Attorney Bakare:

By Opinion and Order entered January 15, 2026 (January 15 Order), the Commission authorized Wellsboro Electric Company (the Company) to file a tariff supplement containing rates, rules, and regulations consistent with the Joint Petition for Unanimous Settlement filed in the above docketed rate investigation, and designed to produce annual electric distribution operating revenues of approximately \$8,169,293 in Phase I. On January 28, 2026, the Company filed Supplement No. 166 to Tariff Electric PA. P.U.C. No. 8 to become effective January 29, 2026, in compliance with the January 15 Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplement is effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary
