Re: Application of AeroTrip Transportation LLC for **Airport Transfer** authority,  
1212 Poplar Street, Greensburg, Westmoreland County, Pennsylvania 15601.

To whom it may concern:

The purpose of this Letter is to advise you that your application for **Airport Transfer** authority at Docket No. A-2025-3059481 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience shall not be granted for the following reason(s):

- **Failure to File Required Information.** A letter dated January 7, 2026, was sent informing you that the Pennsylvania Public Utility Commission required additional information in order to complete the processing of **AeroTrip Transportation LLC's** application for authority. The letter informed you that failure to submit the required information within ten days would result in dismissal of the application. In this letter you were informed that "independent contractors" could not be utilized in airport transfer service, and that if you wished to continue with this business model you would need to amend your proposed authority. On January 20, 2026, the Commission received a response to the Commission's request for information. In that response you requested that the Commission reach out to you for guidance on how to proceed. On January 26, 2026, you received a phone call from the Commission whereby you informed the Commission that the proposed service would fall more in line with a Transportation Network Company (TNC), and that you would file a response in which you would amend your proposed service to that of a TNC. You were also informed that you could seek an extension to respond to the Commission's data request in order to file the appropriate application. To date, more than thirty days later, you have not adequately complied with all aspects of that request.

For this reason(s), your application is **DENIED** and **DISMISSED**.
