A-2025-3059495

TO ALL PARTIES OF RECORD

Application of Aqua Pennsylvania, Inc. for approval of the alteration of the crossing where a multi-use tunnel connecting Ashbourne Road (T 329) crosses, below grade, two (2) tracks of Southeastern Pennsylvania Transportation Authority (SEPTA) (DOT 593 121 J) by the installation of a 6-inch HDPE water line in Cheltenham Township, Montgomery County.

To Whom It May Concern:

By application received by the Commission on December 23, 2025, Aqua Pennsylvania Inc (Aqua) seeks Commission approval to alter the below grade crossing (DOT 593 121 J) by the installation of a 6-inch HDPE water line encased in a 12 inch HDPE casing pipe where a multi-use bicycle/pedestrian tunnel connects Ashbourne Road (T-329) underneath two (2) tracks of Southeastern Pennsylvania Transportation Authority (SEPTA) in Cheltenham Township, Montgomery County.

Aqua proposes to install the new underground 6-inch HDPE water line encased in a 12-inch HDPE casing pipe to replace an existing 6-inch water line which will be plugged in place. The new line will be installed by underground boring and will have approximately 20 feet of cover between the top of the casing pipe and the tracks.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Aqua states that the proposed water line is necessary to improve water distribution operations and maintenance. Aqua will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the proposed facilities, at its sole cost and expense. The cost of the project is anticipated to be \$85,000.

All work is to be performed in accordance with the plan hereby entitled: "EXHIBIT A" consisting of a single sheet submitted to the Commission with the application on December 23, 2025.

Aqua has served a copy of the application and plan on PECO, Lumen, Texas Eastern/Enbridge, Verizon Business, formerly MCI, Comcast, Cheltenham Township, Transcontinental Gas/Williams Gas, SEPTA, Montgomery County and the Pennsylvania Department of Transportation. All parties in interest were queried by letter dated January 5, 2026, sent via email as to any objection to the subject application and plans, and none of the parties have responded with any objections.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience or safety of the public.

The application of Aqua Pennsylvania, Inc, is approved as herein directed:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The crossing where a multi-use bicycle/pedestrian tunnel connects Ashbourne Road (T-329), below grade, two (2) tracks of Southeastern Pennsylvania Transportation Authority (SEPTA) (DOT 593 121 J) in Cheltenham Township, Montgomery County be altered generally in accordance with the plan hereby entitled: "EXHIBIT A" consisting of a single sheet submitted to the Commission on December 23, 2025; which plan is made part hereof and is hereby approved except insofar as it may relate to the division of work, deletion of work, or the allocation of costs and expenses incident to the installation of the project.
3. Aqua Pennsylvania, Inc, at its sole cost and expense, furnish all material and perform all work necessary to alter the crossing by the installation of a new underground 6-inch HDPE water line encased in a 12 inch HDPE casing pipe within the right-of-way of the multi-use bicycle/pedestrian tunnel connecting Ashbourne Road (T-329), below grade, two (2) tracks of Southeastern Pennsylvania Transportation Authority (SEPTA) (DOT 593 121 J), all in accordance with the approved plan and this Secretarial Letter.
4. Aqua Pennsylvania, Inc, at its sole cost and expense, furnish all material and perform all work necessary to establish and maintain any detours or traffic controls that may be required to properly and safely accommodate highway and pedestrian traffic during the time the crossing is being altered.

5. Any relocation of, changes in and/or removal of any adjacent structures, equipment or other facilities of any non-carrier public utility, other than Aqua Pennsylvania. Inc incidental to the alteration of the crossing, be made by said public utility at its initial cost, and in such a manner as will not interfere with the alteration of the crossing; and such relocated or altered facilities thereafter be maintained by said public utility, at its sole cost and expense.

6. Southeastern Pennsylvania Transportation Authority, at the sole cost and expense of Aqua Pennsylvania. Inc, furnish all material and perform all work relating to its facilities which may be required as incidental to the performance of the proposed work and furnish any watchmen, flagmen, inspectors and/or engineering services that may be deemed necessary to protect the railroad's operations or facilities during the time the facilities are being installed.

7. Aqua Pennsylvania. Inc, at its sole cost and expense, furnish all material and perform all work necessary to complete the remainder of the project, and any other ancillary features of the project, generally in accordance with the approved plan and this Secretarial Letter.

8. The alteration of the crossing be completed on or before February 28, 2027, and that on or before said date Aqua Pennsylvania. Inc, report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plan and this Secretarial Letter.

9. Aqua Pennsylvania. Inc, at its sole cost and expense, pay all compensation for damages, if any, due to owners of property taken, injured, or destroyed by reason of the alteration of the crossing in accordance with this Secretarial Letter.

10. All parties involved herein cooperate fully with each other so that during the time the work is being performed, vehicular, pedestrian and railroad traffic will not be endangered or unnecessarily inconvenienced, and so that the requirements of each of the parties will be provided for and accommodated insofar as possible.

11. Aqua Pennsylvania. Inc cooperate with the non-carrier utilities involved, so that during the alteration of the subject crossing, the facilities of the non-carrier utilities will not be endangered or unnecessarily interrupted.

12. Aqua Pennsylvania. Inc, at least seven (7) days prior to the start of work, notify all parties in interest of the actual date on which work will begin.

13. Upon completion of the alteration of the crossing, Aqua Pennsylvania. Inc, at its sole cost and expense, furnish all material and perform all work necessary thereafter to maintain its 6-inch HDPE pipe encased in a 12-inch HDPE pipe, and any ancillary facilities installed in accordance with the approved plan and this Secretarial Letter.

14. Upon completion of the alteration of the crossing, Southeastern Pennsylvania Transportation Authority, at its sole cost and expense, furnish all material and perform all work necessary to maintain its railroad facilities at the crossing and provide the Cheltenham Township at least ten (10) business days advance notice when performing any work as directed by this paragraph.

15. Upon completion of the alteration of the crossing, Cheltenham Township, at its sole cost and expense, furnish all material and do all work necessary thereafter to maintain the highway approach roadway of Ashbourne Road and the multi-use bicycle/pedestrian trail crossing below grade of the track and provide Southeastern Pennsylvania Transportation Authority at least ten (10) business days advance notice when performing any work as directed by this paragraph.

16. Upon completion of the work herein directed, and upon written request from any party of record, this proceeding be scheduled for a hearing at a time and place to be determined by the Commission, for the purpose of taking testimony upon the final allocation of any remaining costs incurred by the non-carrier utility companies and other matters relevant to this proceeding.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
