RE: APPLICATION OF AI TRUCKING INC

To Whom It May Concern:

On January 29, 2026, the application of AI Trucking Inc, at A-2026-3060220, as a motor carrier was accepted for filing and docketed with the Public Utility Commission. In order for the Commission to proceed with the application, additional information is required.

Please forward the information to the Secretary of the Commission at the following address **within ten (10) working days** from the date of this letter.

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
Commonwealth Keystone Building
400 North Street
Harrisburg, Pennsylvania 17120

ALL Parties to proceedings pending before the Commission are advised to open and use an e-filing account through the Commission's website, OR you may submit your filing by mail. If a filing contains confidential or proprietary material, the filing is required to be submitted by mail.

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

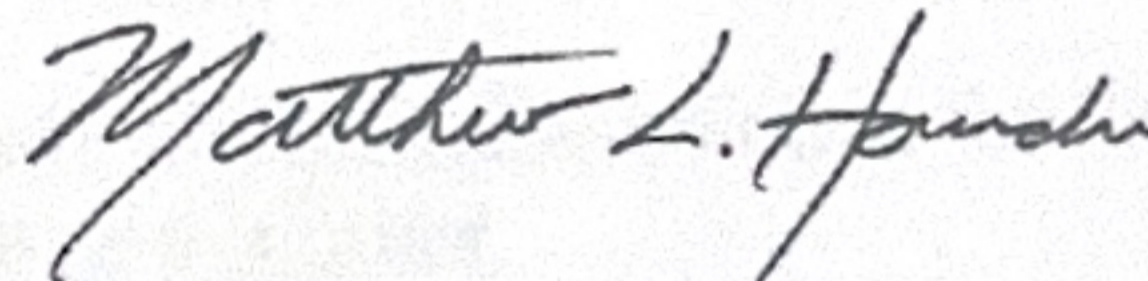

I, Harjot K, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).

The blank should be filled in with the name of the appropriate company representative, and the signature of that representative should follow the statement.

Failure to comply with this request within 10 working days from the date of this letter will result in the denial of the application.

Please direct any questions to Veronica Marin, Bureau of Technical Utility Services at (717) 787-6971. Faxed or emailed filings are **not** accepted.

Sincerely,

Matthew L. Homsher
Secretary

Request for Information

1.) Question #10 of your application asks, "What type of commodities do you intend to transport other than your own?" Your answer, "Property excluding household goods".

A) Please describe "property" in more detail.

The term "property" refers to general freight transported for commercial customers utilizing dry van equipment. Commodities will include palletized and packaged goods such as retail and wholesale merchandise, non-perishable packaged food products (non-temperature controlled), paper and packaging materials, electronics, industrial supplies, and other non-hazardous general commodities typically transported in dry van trailers.

AI Trucking Inc will transport general freight for hire and will not transport household goods, personal effects associated with moving services

B) Describe your utility service in detail.

AI Trucking Inc will operate as a for-hire motor carrier providing non-household goods transportation services utilizing a dry van semi-truck. The company will transport general freight for commercial customers on a scheduled or as-needed basis. Operations will primarily consist of local and short-haul transportation within Pennsylvania, including pickup and delivery services between warehouses, distribution centers, manufacturers, and commercial facilities. Freight transported will be non-hazardous general commodities. The applicant intends to provide reliable, safe, and efficient transportation services in compliance with all applicable federal and Pennsylvania regulations governing motor carriers
