RE: Continuous Bond
Light Star Energy Group LLC
A-2020-3019081

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Light Star Energy Group LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a raised seal for the surety company.

Please note that the most current version of the bond template does not contain the "executed at this day, effective immediately" line below the last paragraph. Please remove that line.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Matthew L. Homsher
Secretary
