Re: Waiving PA Utility Code, 66 Pa.C.S. § 1102 (a)(3) Permit Review  
Veolia Water PA, Inc. - Marysville Borough

To whom this may concern,

On behalf of Perry County, the Perry County Planning Commission (PCPC) waives the right to complete the review of the proposed activity as provided in your request. Please use this communication as further proof of county notification for permitting purposes.

Please note that without a subdivision and/or land development (S&LD) plan for review, a consistency determination cannot be offered by the PCPC. The official determination on general consistency with respect to the comprehensive plan is made when/if a S&LD application has been received, reviewed, and entered into record on a S&LD review report form. With this Pa.C.S. § 1102 (a)(3) review, the PCPC staff can only confirm the existence of an adopted comprehensive plan.

This waving of comment to the PUC should not be interpreted as the PCPC's support of, or opposition to, the application proposed at this time. If you need further clarification of this response, please feel free to contact our office at your earliest convenience.

Sincerely,

Jason R. Finnerty  
Perry County Planning Coordinator

Encl.
