Bakey Enterprises LLC dba Bakey Energy Consulting  
Attn: Andrew Bakey  
101 W Spruce Avenue, Suite 311  
North Wildwood NJ 08260

Dear Andrew,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Bakey Enterprises LLC dba Bakey Energy Consulting (BEC) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, BEC must furnish acceptable security to each utility where BEC will do business. As such, under its tariff, NFGDC could require BEC to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that BEC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, BEC will never take title to any delivered natural gas, nor will it accept any customer payments or deposits.

Based upon your representations, NFGDC has determined that, at this time, BEC does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by BEC change in the future, NFGDC reserves the right to require security from BEC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Dear Andrew Bakey:

We are pleased that Bakey Energy Consulting has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Bakey Energy Consulting could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Bakey Energy Consulting has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Bakey Energy Consulting does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Bakey Energy Consulting changes in the future, Columbia Gas might deem it appropriate to require Bakey Energy Consulting to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4881 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

**RE: Bakey Energy Consulting**

Dear Mr. Bakey:

We understand that Bakey Energy Consulting has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania, including our company's service area.

Pursuant to 66 Pa.C.S. § 2208(c), an applicant for a natural gas supplier license must furnish security to each utility where it will do business to ensure the supplier's financial responsibility. To this end, Valley Energy periodically will perform a credit review and analysis of Bakey Energy Consulting when it begins Bakey Energy Consulting to serve customers on Valley Energy's system. Valley Energy will determine whether Bakey Energy Consulting must post a security based on the credit review, the types of customers served, the volumes expected to be delivered for those customers and the other rules in Valley Energy's Supplier Tariff. At this time, no security is being requested; however, if the services provided change in the future, we reserve the right to require security from Bakey Energy Consulting as deemed appropriate.

If you have any questions, please contact Jamie Beale at 570-888-9664 (Ext. 5232).

Sincerely,

Edward E. Rogers

          **Application to Serve as a Natural Gas Broker**

Dear Mr. Bakey,

Based on your assertion that Bakey Enterprises, LLC d/b/a Bakey Energy Consulting ("Bakey Enterprises") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Bakey Enterprises will not need to post security with UGIU. This is based on the declaration that Bakey Enterprises will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Bakey Enterprises wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,
