Re: Application for the Abandonment of Natural Gas Supplier License for RWE Clean Energy Wholesale Services, Inc.

Dear Mr. Verveniotis:

On December 22, 2025, RWE Clean Energy Wholesale Services, Inc. (RWE Clean Energy) filed an application to abandon its natural gas supplier (NGS) license in the Commonwealth of Pennsylvania. RWE Clean Energy was originally licensed on February 20, 2014, under the name Consolidated Edison Energy, Inc., to serve large commercial customers (6,000 Mcf or more annually) within the service territory of Columbia Gas of Pennsylvania, Inc. By Secretarial Letter issued February 2, 2022, the company was approved to add the industrial customer class and the UGI Utilities, Inc. service territory to its license. By Secretarial Letter issued August 8, 2024, the company was approved to change its name from Consolidated Edison Energy, Inc. to RWE Clean Energy Wholesale Services, Inc.

There are no outstanding fines pending against RWE Clean Energy. There are also no outstanding formal or informal complaints. Based on the foregoing, the notification provisions under Title 52, Chapter 62, Subchapter D, Section 62.112 are waived.

We believe that the relinquishment and abandonment of RWE Clean Energy's license will have no impact on the public, NGDC service territories, or default service providers. Therefore, the Commission approves, by this Secretarial Letter, RWE Clean Energy's application to abandon its NGS license at Docket No. A-2014-2399590 and its license is cancelled.

The Secretary's Bureau shall remove the company's name from all active status utility lists maintained by the Commission. The Bureau of Administrative Services shall remove the company from all assessment lists.

If you have any questions in this matter, please contact Lee Yalcin of the Bureau of Technical Utility Services at lyalcin@pa.gov or 717-787-6723.
