1. Before your application can be processed further, you are required to provide an acceptable description of the proposed service area.

Your proposed territory cannot contain vague terms such as, "primarily." You need to specifically identify each county you wish to originate service in as these will be the exclusive areas in which you are permitted to operate. Additionally, the vague language is also unacceptable relating to passenger descriptions. If you wish to restrict your services to the Amish community then remove the "primarily" language. If you wish to offer service to the general public, which would include the Amish, then remove the Amish language criteria.

2. In response to Question #5: when asked to provide a plan you are expected to provide a PLAN which is fully responsive to each portion of the question and to ensure that the plan satisfies the requirements of 52 Pa Code. You may hire a third party to execute the actual check, but you, as the applicant, are expected to establish a policy which complies with the governing laws and regulations. You are also expected to provide this Commission with written evidence of said plan/policies.

a. In reference to Question #5

i. You are specifically advised to review the requirements of the following chapters of 52 Pa Code and to submit EVIDENCE of compliant plan for drivers which completely addresses the following:

- § 29.503, Driver Age
- § 29.504, Driver history (record retention)
- § 29.505, Criminal history (schedule and record retention)

b. Provide a clear statement for the number of drivers you intend to employ and a statement explaining why you believe that number to be adequate for the proposed territory and operations.

3. You have failed to provide an explanation as to why you feel the number of vehicles you intend to operate is adequate. Please provide a complete response.

4. Are the cited vehicles registered to the applicant's sole member, or the applicant (Peachey's Transport Services LLC) itself?

5. Your vehicle safety program is inadequate as described. Please provide a copy of your complete safety program and include copies of your vehicle maintenance plan.

If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your updates). Applicants lacking suitable finances, resources, and equipment will be denied authority.

- d. ALL relevant assets and debts are to be included (vehicle loan balances/vehicle asset value, lease expenses, etc.).
- e. The information provided is also to be strictly limited to assets and debts HELD BY THE APPLICANT (PEACHEY'S TRANSPORT SERVICES LLC), and not the individual member(s). Any property and accounts listed MUST be registered or titled to the corporation. Bank accounts must be in the name of PEACHEY'S TRANSPORT SERVICES LLC. Vehicles must be registered to PEACHEY'S TRANSPORT SERVICES LLC. Property must be titled to PEACHEY'S TRANSPORT SERVICES LLC. Relevant Vehicle and facility leases should also be properly shown and allocated. If these items are not in the name of PEACHEY'S TRANSPORT SERVICES LLC, they should NOT be included on the balance sheet.

The information is to be exact and should not include estimates or approximations when accurate numbers are available. Property and vehicle valuations may be approximations; however, if the valuation is higher than typical Kelly Blue Book (or similar) valuations, you should provide an explanation as to why (e.g. vehicle with an installed wheelchair lift, etc). Bank accounts and loan balances should be exact amounts (rounded to the nearest dollar).

- a. The statement presented must be **DATED** and comprised of information which is less than 6 months old.
- b. The submission MUST be comprised of information which is accurate as of the date provided.

(required): Financial Position (if necessary) and provide evidence to support the statement

- 7. Please review the below criteria and submit a revised compliant Statement of Financial Position (if necessary) and provide evidence to support the statement (required):
- 6. Please provide information on your insurance policy. Include the provider's name, policy limits, and annual costs. Do you pay your premiums in monthly installments, or do you pay the entire premium in advance?

 - a. Do you perform daily pre and post trip inspections?
 - b. If not, why not?
 - c. If so, please provide a copy of your daily vehicle inspection checklists.

Finally, in order to fully assist the Commission in verifying your financial fitness, please provide supporting documentation for the statement of financial position (balance sheet). Acceptable means of support include current copies of bank statements (account numbers may be redacted), and/or notarized/official statements of account balances/ownership provided by bank officers (with current contact information). Also include any and all claimed vehicles or land/buildings must also include proof of ownership/registration - vehicle registrations, property titles, purchase agreements, leases, etc.

You are encouraged to enlist professional financial assistance if you experience difficulty in constructing your statement of financial position.
