Page 6 – Response to question 4.

Mr. Dulal plans to open a Pittsburgh office at 514 Glowood Drive, Pittsburgh, PA 15227. This location will serve as a third location for Diamond (“Pittsburgh Location”). It is a single home centrally located in the Pittsburgh area with garage parking. The main office will continue to be in Harrisburg (“Main Location”). Calls will be routed through the primary phone number and email address, and rides will then be coordinated to the driver at the Pittsburgh Location. This coordination will occur via text and email. All rides will be confirmed. A computer, scanner, and printer will be available at the Pittsburgh Location. Records will be kept in the Main Location though and a secure network will be available in the Pittsburgh Location as well. Plans are for a single driver, the owner of the residence at 514 Glowood Drive, to be Diamond’s driver. This individual will be equipped with a cell phone, and the vehicle will have GPS in order to keep constant communication as to its whereabouts.

Page 6 – Response to question 5.

Moving forward, the company will have a primary driver at the Main Location and a single driver at the Pittsburgh Location. We also note that there is a back-up driver available at the Main Location. For the Pittsburgh Location, we suggest this is an appropriate number of drivers as we begin our operations in Western PA. Once demand grows, we will likely need to hire an additional driver.

- a. At all times, our plan is to employ the highest standards for hiring drivers. Specifically, all necessary paperwork for Applicant's drivers will be completed prior to hiring. All drivers will complete a driver's application, including front and back photocopies of driver's licenses. All drivers will be 21 years of age or older, and their age will be confirmed via driver's license and an additional form of photo identification. We have already started the electronic process with PennDOT to expedite this process. HIPAA Medical Release Authorization Forms must be signed for each driver's background check. We also will follow the criminal background check requirements as set forth in 5(b).
- b. We will obtain and review comprehensive criminal history records for each driver from the Pennsylvania State Police and every other state in which the driver has resided for the last 12 months. In addition, we note that Diamond will obtain and review criminal history for each driver from the Pennsylvania State Police every two years from the date of the last criminal history check. Per Pa. Code § 29.505(a)(4), the criminal background checks will be kept for a minimum of three years. We will follow the provisions of Title 52 Pa. Code §29.505(a)(3) and will not hire an individual to operate a vehicle in the service of Diamond who was convicted of a felony or a misdemeanor under the laws of the Commonwealth or under the laws of another jurisdiction, to the extent the conviction relates adversely to that person's suitability to provide service safely and legally. This individual would be disqualified from employment as a driver at Diamond. Diamond also will follow the Commission's Policy Statement, 52 Pa. Code §41.14(6), and will apply it and will not employ any driver convicted of a felony or crime of moral turpitude and remains subject to supervision by a court or correctional institution.
- c. Drivers must complete driver's training prior to employment, including Defensive and Distracted Driving Course, Red Cross First Aid training, OSHA Bloodborne Pathogen training, and CPR training. We also will make sure that they know how to safely operate and securing in a wheelchair in the vehicle.
- d. Drivers must sign and return Motor Vehicle Record Release Form DL-503. We will obtain and review drivers histories for each driver for the preceding three years and will obtain new driver histories at least once every 12 months from the date of the last report. Pa. Code § 29.504(a)(3), Diamond will maintain a copy of the driver license check for each driver for at least two years.
- e. Drivers must complete a consent form for urinalysis drug testing with random urinalysis conducted as needed. Diamond has a zero-tolerance policy on the use of unlawful drugs by its drivers.

Page 6 – Response to question 6.

Our plan is to purchase a vehicle specifically to serve the Pittsburgh location that is wheelchair accessible. We have determined that a wheelchair accessible vehicle is the best way to provide service to the community. At the present time, we have not located the best vehicle to serve our needs but are planning to make a decision soon. We note the current vehicle we own on the chart. It is unlikely that we will transfer this vehicle to the Pittsburgh Location.

- 7. Describe your vehicle safety program. Please include the following in your explanation:
 - a. Your periodic vehicle maintenance plan
 - b. Your system for ensuring your vehicles will continuously comply with applicable Pennsylvania vehicle equipment standards (67 Pa. Code, Chapter 175).

Each vehicle will be subjected to preventative maintenance checks each day before operation making sure all lights, windshield wipers, tires and windows are properly working.

Mr. Dulal is familiar with motor vehicle inspection rules and regulations and will track the vehicles used in his fleet and will make sure all vehicles are tracked for annual inspections and will keep records to make sure these rules are followed.

- 8. Please explain what steps you have taken to determine if you can obtain insurance and pay the required insurance premiums.

Mr. Dulal is aware of the insurance requirements through his work as the sole member of Diamond and Serene Transportation Services. Both companies have been fully compliant with the state insurance regulations and, in excess, of the requirements. He has spoken with his insurance broker about the expansion and the addition of a vehicle/driver and is aware of the costs. The company has sufficient financial resources to pay for the required insurance premiums.

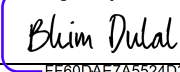

- 9. State whether the applicant has been convicted of a misdemeanor or felony. If applicant is partnership, limited liability partnership, corporation, or limited liability company this question applies to all members, officers, and/or shareholders. If "YES", explain.

_____ YES NO

- 10. Financial Data. Complete the "Statement of Financial Position", which follows this page. Please feel free to also provide additional information explaining why you believe you have sufficient funds to ensure your transportation business can provide reliable service to the public in a safe manner.
