TUS Data Request Set 1

Public Utility Municipal Contract – Shut Off Agreement between Pennsylvania-American Water Company and Carmichaels Cumberland Joint Sewer Authority at Docket No. U-2026-3060377

Note: Please restate the data request prior to providing a response. In addition, provide the name and title of the person(s) providing the response and/or information for each data request.

- U-1. The above-referenced filing, its cover letter and certificate of service all refer to the municipal agreement as a “Shut-Off Agreement”. However, it appears that the municipal agreement contains no provisions for water service shut-off and is instead for water usage data sharing. Please clarify whether the subject filing is a water service shut-off or a water usage data sharing municipal agreement.
- U-2. The above-referenced filing’s cover letter indicated that the data request responses filed for the water service shut-off agreement at Docket No. U-2021-3024807 (2021 Shut-Off Agreement) were applicable to this filing’s agreement and should be incorporated by reference. However, it appears that this filing is a water usage data sharing municipal agreement. Please explain how the data request responses filed for the 2021 Shut-Off Agreement are applicable to this filing’s municipal agreement and why they should be incorporated by reference.
