Re: Ervin v. Philadelphia Gas Works  
Docket No. F-2025-3054349

Dear Ms. Ervin:

On February 10, 2025, the Commission received a copy of your February 9, 2026 letter regarding your adjudicated complaint case against Philadelphia Gas Works (PGW) at Docket Number F-2025-3054349. Please know that your complaint case was closed by Final Order of the Commission on January 21, 2026.

In your letter, you reference that you do not understand the December 18, 2025 Initial Decision (which was served on you that same date). You also reference a new utility bill you received alleging it is still incorrect. Please understand that the Commission is unable to answer questions or provide legal advice regarding the interpretation of the Initial Decision. Rather, please consider contacting an attorney of your choice regarding any questions you may have, or any explanation you may need concerning the substantive meaning of the Initial Decision.

As the matter at Docket Number F-2025-3054349 is closed, if you wish to pursue new or additional claims against PGW, you must file a new formal complaint alleging those new/additional facts. Please note that further filings similar to your February 9, 2026 letter to the F-2025-3054349 docket will be rejected and returned to you.

Finally, it is unclear whether you served a copy of your February 9, 2026 letter on counsel for Respondent. In order to cure any potential *ex parte* communication created by the potential failure to provide a copy of your letter to Respondent; under cover of this letter, I am also serving a copy of the February 9, 2026 letter upon Respondent's counsel. See 66 Pa. C.S. Section 334(c).

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsner'.

Matthew L. Homsner  
Secretary of the Commission
