Re: Aqua Pennsylvania, Inc.'s Supplement No. 6 to Water – Pa. P.U.C. No. 4; Lead Service Line Replacement Program Compliance Filing

Dear Attorney Lent:

On February 9, 2026, Aqua Pennsylvania, Inc. (the Company) filed Supplement No. 6 to Water - Pa. P.U.C. No. 4 to become effective on February 19, 2026. Supplement No. 6 to Water - Pa. P.U.C. No. 4 was filed in compliance with the Commission's Opinion and Order entered January 29, 2026 at Docket No. P-2023-3044459, and authorizes the Company to file a Lead Service Line Replacement Program (LSLRP) with the Commission at least once every five years and by March 1st of each year until further order of the Commission.

Commission Staff has reviewed the LSLRP tariff revisions and found that suspension or further investigation do not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 6 to Water - Pa. P.U.C. No. 4 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Vanessa Johns, Bureau of Technical Utility Services, at (717) 214-9114 or vanjohns@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary
