**RE: Application of God's Grace Medical Transportation, LLC, 638 Erford Rd., Camp Hill,
Cumber County, PA 17011. 717-704-7995**

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3059525 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

• **Failure to establish fitness to operate:**

On December 30, 2026, the applicant submitted an application for paratransit authority. On January 6, 2026, the application was reviewed and deficiencies were noted. On the same day the applicant was issued a 10-day data request seeking corrections or clarifications for a multitude of issues related to its proposed operating territory, its facilities, its hiring/retention policies, its driver/territory suitability, its insurance due diligence, and financial fitness. The Commission's request included reference citations and examples of acceptable forms of evidence.

On January 15, 2026, the applicant submitted a revised application and a response which failed to provide policies compliant with 52 Pa Code § 29.504, failed to provide evidence of acceptable safety/maintenance policies, failed to provide insurance related information, failed to provide evidence supporting the claimed financial position, and failed to provide evidence verifying the possession and ownership of the claimed vehicle assets. Absent the requested evidence it is not possible for the Commission to determine that applicant's continued ability to offer safe, efficient, and reasonable transportation under the proposed new ownership.

For these reasons the application is DISMISSED and DENIED
