**PETITION TO RE-OPEN THE PROCEEDING
FOR THE PURPOSE OF TAKING ADDITIONAL EVIDENCE**

To the Honorable Jeffrey A. Watson:

Complainant respectfully files this petition to reopen the above proceeding for the purpose of submitting additional evidence as per 52 PA Code § 5.571 (a) which states,

§ 5.571. Reopening prior to a final decision.

(a) At any time after the record is closed but before a final decision is issued, a party may file a petition to reopen the proceeding for the purpose of taking additional evidence.

My reasons for submitting this additional evidence are as follows:

- 1) Relying in my own Brief on a spare summary of my arguments in my Amended Formal Complaint, I did not realize until I read the Met-Ed Brief how much Mr. Meehan had ignored the core arguments in my Amended Formal Complaint. In my Reply Brief I attempted to set the record straight and realized I had not entered into evidence during my hearing items which I found necessary to mention in my Reply Brief.

2) As a pro se complainant, I was not prepared for the level of detail necessary to substantiate my case. I wish to correct this now.

Here are the Items I wish to enter into my record:

- The PUC Implementation Order of 2009
- The MADRI slide presentation of March 5, 2009 by Pizzingrilli and Rooney
- Interrogatories on 57.255(a)
- Senate and House Journals from the time of Act 129's passage
- Act 129 of 2008
- Utility Tariff for Met-Ed
- Thomas Yewcic Testimony

Some of these may be unnecessary in your opinion, such as Act 129, as these may be already part of the record, and I would appreciate your guidance on that. With your agreement, I would submit these as per your instructions.

Thank you for your consideration.
