To Whom It May Concern:

Enclosed, herewith, is a certified copy of an excerpt of the Commission's tentative opinion and order of August 31, 1995 in the above case, appropriating certain lands in the County of Delaware, said lands being described by metes and bounds.

The provisions of Section 2702(d) of the Public Utility Code require that:

"The Commission shall file with the recorder of deeds of the proper county, a copy of that portion of the order of the Commission which appropriates such property and such plans and other detailed information as the Commission may deem necessary. Such portion of the Commission's order dealing with the specific property appropriated shall be recorded and indexed under the name or names of the record owners of such specific property at the expenses of the utility or utilities, political subdivisions, municipality or municipalities governmental agency, including the Department of Transportation and Public Utility Commission, corporation or persons under whose instigation, petition or complaint the said crossing was constructed, reconstructed, relocated, altered or abolished, as may be ordered to bear such expense of recording by the Commission; provided that when such appropriation of real property has been recorded under the provisions of any other statute, such recording shall not be duplicated under the terms of this section."

Kindly advise at your earliest convenience the date of recording and the volume and page at which this order is recorded in your records and return to the Commission.

Very truly yours,

John G. Alford
Secretary
