To:

Public Utility Commission

Subject: Request for Price Adjustment Approval

Dear PUC Commision,

I hope this letter finds you well. On behalf of **Mahoning Valley Ambulance Association, Inc.**, I am writing to formally request approval for a price adjustment to our rates, in accordance with the guidelines set forth by the Commission.

This adjustment is necessary to address rising operational costs, infrastructure improvements, compliance with updated POLR contracts, and while ensuring we can continue to provide safe, reliable, and high-quality service to our customers.

We have taken care to ensure that the proposed change is fair, transparent, and reflective of the actual costs incurred in delivering our services.

We remain committed to maintaining open communication with both the Commission and our customers throughout this process. Should you require additional information or clarification, please do not hesitate to contact me directly at **570-516-2571** or **mahoningamb@gmail.com**.

Thank you for your time, consideration, and continued support in helping us serve our community effectively.

Sincerely,

Paul D. Waddell Jr.

Director of Operations
