PA PUBLIC UTILITY COMMISSION
ATTN SECRETARY CHIAVETTA
400 NORTH STREET
HARRISBURG PA 17120

RE: Solvere Transport, LLC, A-6423278 - Request for Rate Increase

Secretary Chiavetta:

Submitted for your consideration is Paratransit PA PUC No. 4 and accompanying support for the purpose of requesting an increase to our paratransit rates. Please note that Confidential Attachment B will be filed separately, via overnight mail. We would like the proposed tariff to become effective on March 20, 2026.

Since our last rate increase, our operating costs have risen significantly and eroded our profit margins. For example, our insurance costs in 2024 were \$24,000.00. Those costs increased to \$55,000.00 in 2025. Vehicle costs and repairs have significantly increased as well. In addition to requesting a rate increase, we have added additional transportation services in order to increase our revenue to offset the increased operating costs. These additional services have been added to the proposed tariff.

Our company has a desire to continue serving the public in our authorized territory, and we want to do so in a safe and efficient manner, as prescribed by the PA PUC. In order to do this, an increase is necessary. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Dawn Lilly", is written over a light blue circular background.
