RE: Bond Continutaion  
AvidXchange Inc  
A-2016-2565716

Dear Ms. Correll:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of AvidXchange Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

**The enclosed financial instrument reflects a new bond number. To apply this Bond Continuation, we will need either a Rider reflecting this change or a new original bond issued with the updated bond number.**

Please file the **originally signed and sealed** security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large, looping 'M' and 'H'.

Matthew L. Homsher  
Secretary
