**Robert T Fithian v  
PPL Electric  
Utilities  
Corporation**

C-2025-3056638

805 Main Street

Newfoundland, Pa.

18445

EXHIBIT

**Fithian 1**

I am Robert T Fithian, son of Robert G and Margaret M Fithian (both deceased). This is the original deed from their purchase in 1980. Highlighted section explains the natural spring and the "original agreement" of spring rights.

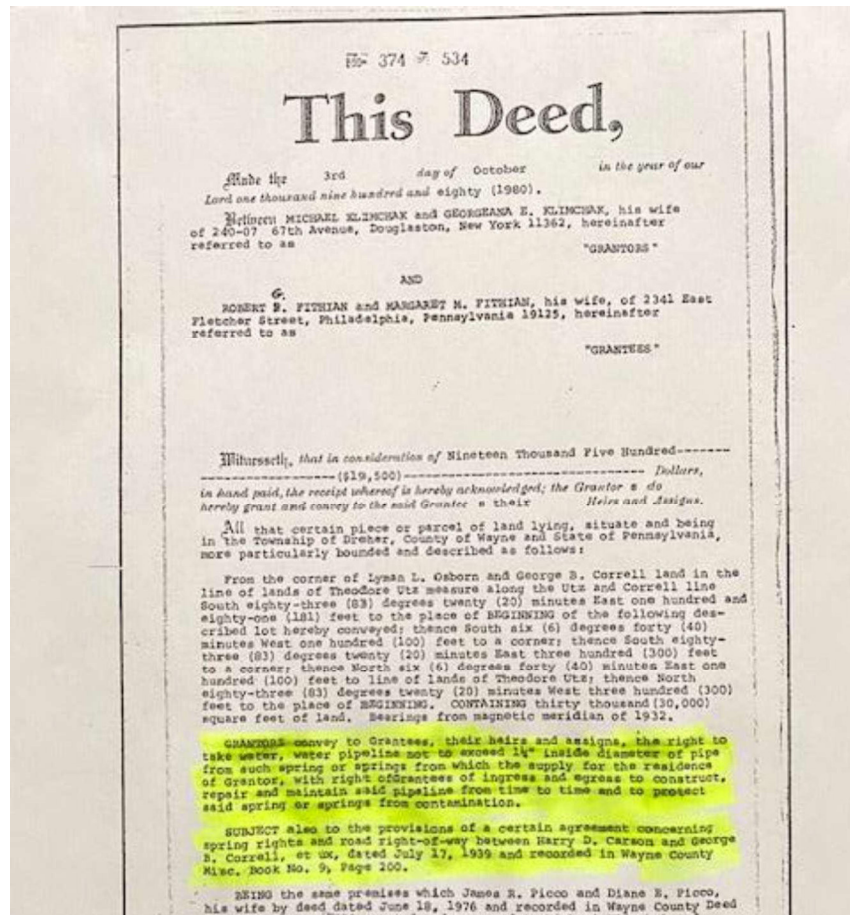

EXHIBIT  
Fithian 2

This image is the "original agreement" referenced previously in the deed. It is from 1939 when the natural spring was created by Carson (my home) and Correll (my neighbors home).

HARRY D. CARSON : AGREEMENT, dated July 17, 1939, between Harry D. Carson  
TO : (hereinafter called "Carson") of Philadelphia, Pa. and  
GEORGE B. CORRELL et ux : George B. Correll (hereinafter called "Correll") and  
Susan Correll, his wife, of Newfoundland, Pa., made in consideration of the follow-  
ing and one dollar by each to the other paid, hereby mutually acknowledged.

Carson will supply the pipe, fittings, sand, cement and skilled labor  
required to install a reservoir at, and a water line (herein called "the new pipe  
line ") from, a spring located in a general down westerly direction from Carson's  
cottage (the spring being on land deeded to Correll by Lyman L. Osborn and wife -  
but not yet recorded in the Registrar's Office) to, and running into, the water  
line now serving Carson's cottage.

Correll will supply the necessary stone, ni labor, and use of mule, plow and  
equipment to assist in installing said water line. Correll will supply and install  
pipe to carry water from the above described new pipe line to Correll's residence  
and Carson grants to Correll the right to take water from said new pipe line and the  
right to have the pipe carrying same cross Carson's lot, the outlet fro Correll from

---

said new pipe line to join with same on top of said new pipe at Carson's present inlet at bar-  
rel, now located between Carson's cottage and the stream.

The water line from said junction point to Correll's residence shall belong to Correll,  
who shall keep underground and free from leakage such pipe as may cross Carson's land. The  
reservoir and water line from the spring to the Carson cottage shall belong to Carson.

Neither party guarantees that the supply of water from the said spring will be adequate  
but both parties agree that, except to prevent freezing, the outlets below the junction shall  
be kept closed when not in actual use.

Correll warrants to Carson that they both have the legal right to take water from said  
spring.

Correll will also help Carson fix up the old road from the Correll residence to Carson's  
property, for the use of Carson and Correll.

Signed, sealed and delivered July 17, 1939, at Newfoundland, Pa. . . .  
Harry D. Carson (L.S.)  
Geo. B. Correll (L.S.)  
Susan Correll (L.S.)

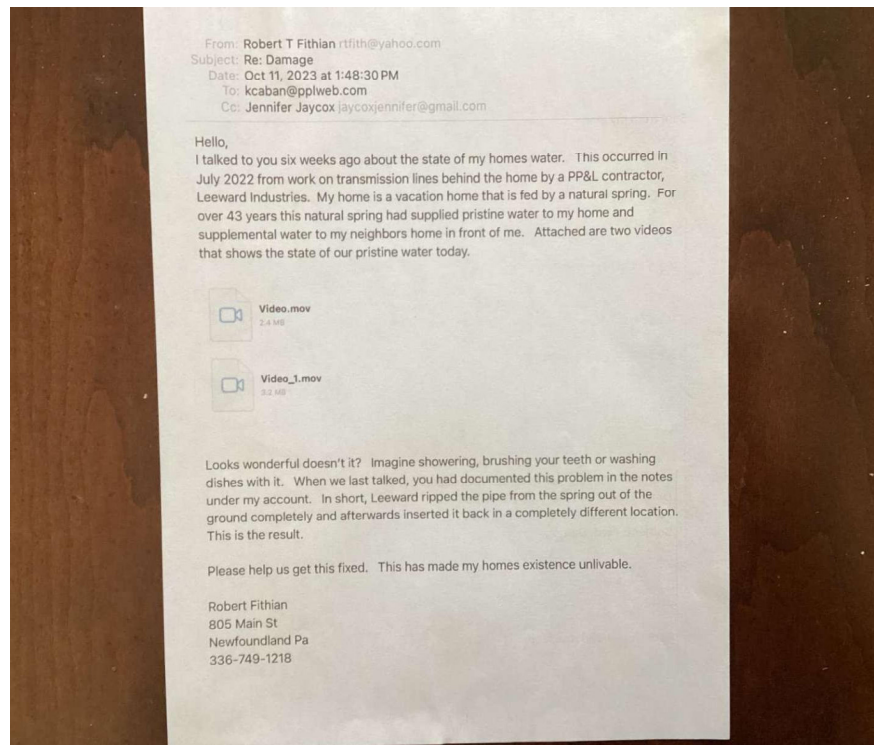

EXHIBIT  
Fithian 3

**This image is an aerial view (Google Earth) of my house and where the natural spring is located.**

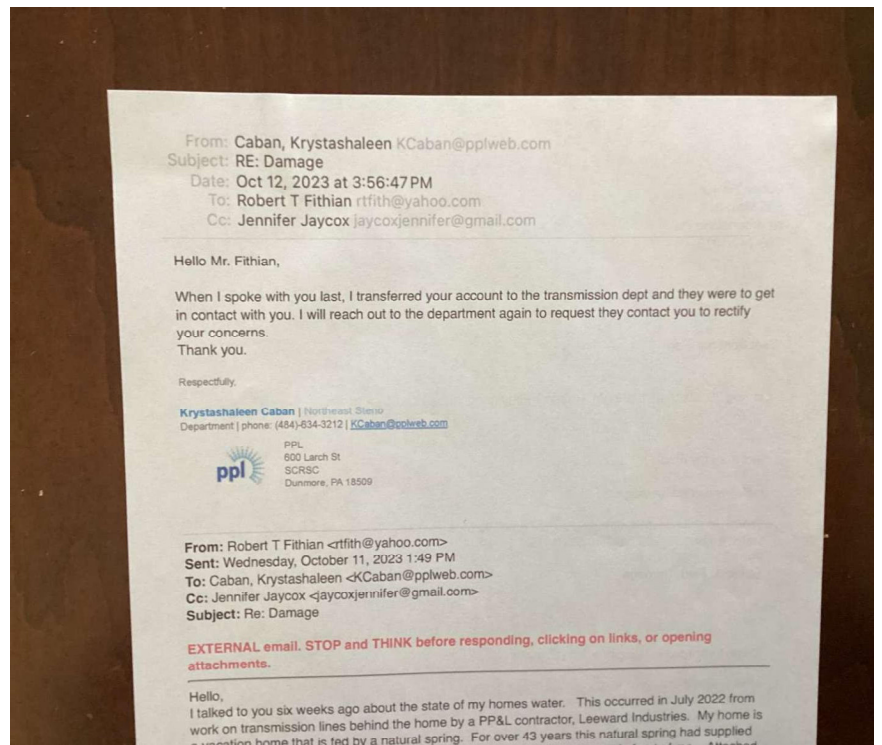

**EXHIBIT**  
**Fithian 4**

**This is an email that I sent to PP&L. I had spoken to them in June and July 2023. Only once did I hear back from PP&L after both calling and sending email's.**

**EXHIBIT**  
**Fithian 9**

**This was the only, and last, time I ever heard back from PP&L. Any time I called after this, I was immediately sent to voicemail.**

**EXHIBIT**  
**Fithian 10**

## Timeline and Visits:

- July 10, 2022 Initial damage by Leeward Co (PP&L)
- July ??, 2022 Pipe re-inserted by Leeward (NO One was present)
- October 2022 My visit, dirty water in house. Called PP&L, assured it would be addressed.
- July 2023 My visit, no water at all. Called PP&L, assured it would be addressed.
- October 2023 My visit, dirty water in house. Called PP&L, assured it would be addressed.
- July 2024 My visit, no water at all. Called PP&L, rep from PP&L gave me "her word" it would be fixed.
- Late July 2024 No word from PP&L. Started informal complaint with PUC.
- October 2024 My visit, no water at all.
- October 2025 My visit, no water at all. I found where Leeward "fixed" the pipe in July 2022 (next slide)

EXHIBIT

**Fithian 11**

**This image was taken on my last visit in October 2025. After recovering enough from ankle surgery, I was physically able to find where Leeward (PP&L) placed the pipe when they "fixed" the initial destruction of the spring in July 2022. The "fixed" pipe was laid in a trench of groundwater.**

**EXHIBIT**

**Fithian 12**

**This is the same as the previous image, only standing on the other side of the trench. This is the reason why, after the "fix", my water was either extremely dirty, or no water at all. It's groundwater from the spring.**

**EXHIBIT**

**Fithian 13**

**Expenditures since July 10, 2022, when the house was unlivable:**

July 10, 2022 to Dec 31, 2022:	\$1,200 (taxes, insurance)
	\$80 (water purchases for bathroom)
2023:	\$2,400 (taxes, insurance)
	\$250 (hotel for showers, water purchases for bathroom)
2024:	\$2,400 (taxes, insurance)
	\$180 (hotel again for showers and continued water purchases)
2025:	\$2,400 (taxes, insurance)
	\$60 (water purchases)
