RE: Compliance Report Pursuant to Stipulation of Settlement,
Docket No. A-2021-3028668 and A-2021-3028669

Dear Secretary Homsher:

Pursuant to our stipulation in the above dockets, Connect Holding LLC and Brightspeed of Pennsylvania, LLC are submitting the Annual Certification filing in accordance with the commitments in the terms and conditions made in the settlement agreement. As of December 31, 2025, we exceeded our total number of premises passed commitment and are on track to complete this year's required premise passings by the end of 2026.

For transparency, we amend the 2024 report stating that no state broadband grants were pursued or awarded to support these builds - we in fact executed a grant agreement with Perry County in September 2024, and construction started in September 2025 via that grant for 342 locations by the end of 2026.

Please contact me if you have any questions.
