**RE: Consumer Education Charge
Effective March 1, 2026
M-2025-3059224**

Dear Mr. Taylor:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 11 to Tariff Gas – Pa. P.U.C. No. 6 and the supporting rate computations submitted on December 12, 2025 and revised on December 30, 2025 and January 29, 2026 to become effective on March 1, 2026.

Based upon staff review, it appears that the proposed Consumer Education Charge (CEC) rates for the twelve-month period of March 1, 2026 through February 28, 2027, are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The CEC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3059224.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
