RE: Default Service Supply
Effective March 1, 2026
M-2025-3059469

Dear Mr. Brechlin:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 100 to Tariff Electric-Pa. P.U.C. No. 25 and the supporting rate computations submitted on December 23, 2025 to become effective on March 1, 2026.

Based upon staff review, it appears that the proposed Default Service Supply (DSS) rates for the Medium Commercial & Industrial classes for the three-month period of March 1, 2026 through May 31, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSS is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3059469.

Sincerely,
