Re: CNG Quaker LLC. docket # A-2023-3038167 COMPASS NATURAL GAS PARTNERS L.P.

Dear MR Homsher,

I am writing in response to the letter Dated February 18, 2026, Docket No. A-2023-3038167 For Data requests.

1). Please confirm that the instant registration is for the year ending 2025.

Yes, the Registration submitted was for the Year ending 2025

2). Name of registrant –"Staff notes that in the initial Act 127 Registration submitted Feb 7 2023 the registrant identified its name as "Compass Natural Gas Partner L.P." (Partner was Singular) Subsequent registration forms, however, were submitted under the name of "Compass Natural Gas Partners L.P. (Partners was plural). "

Response – In reviewing the letter Dated February 1, 2023, submitted February 7, 2023. There was a discrepancy within our letter; some portions of the name change letter request was Partners was plural, while other portions were singular. We appreciate the commission for pointing out the discrepancy. The correct legal business name is "Partners" (plural) I attached the original letter to show that the original submission had both plural and singular in the letter. Will this letter suffice to fix the name from Singular to Plural as stated below

On February 1, 2023, we sent a letter requesting name change "To do this we are asking the Commissioners to re-issue a new docket number under Compass Natural Gas Partners L.P. Ein # 90-1023220. "

The current operations, principals, record keeping, and operators of the pipeline will remain the same. All pipeline assets will be reported by Compass Natural Gas Partners L.P as reported by CNG Quaker LLC. The entity that is transferring the assets.

Respectfully submitted.
