**ANSWER TO THE JOINT PROTEST OF BUX-MONT TRANSPORTATION, INC.,
EASTON COACH COMPANY, SUBURBAN TRANSIT NETWORK, INC., AND TRI
COUNTY TRANSIT SERVICE**

Re: Answer to protest of Tanya C. Leshko,
John F. Povilatistis, and Alan Michael Seltzer.
Application of MrFeelStrong, LLC
Docket No. A-2025-3059500

Applicant, MrFeelStrong, LLC, by and through Michael Thorpe-Member, hereby files this Answer to the Joint protestants pursuant to 52 Pa. Code § 5.61. Served on February 17, 2026 filed by Bux-Mont Transportation, Inc. (“Bux-Mout”), Easton Coach Company (“Easton”), Suburban Transit Network, Inc. (“TransNet”), and Tri County Transit Service, Inc. (“Tri County”) (collectively, the “Joint Protestants”) that was through their attorneys, Tanya C. Leshko, John F. Povilaitis, and Alan Michael Seltzer.

RESPONSE TO GROUNDS FOR PROTEST

7. Burden of Proof: Denied. Applicant has met the burden of proof under 66 Pa. C.S. § 332(a) and § 1103(a). Applicant’s thirteen (8) years of professional medical driving experience, including five (5) years as a certified EMSVO and eight (8) years in paratransit, provides a superior showing of fitness.
8. Technical Fitness: Denied. Pursuant to 52 Pa. Code § 41.14(a)(2), Applicant possesses the required technical expertise. Applicant’s facility at 432 W Airdrie St, Philadelphia, PA 19140 is sufficient to house and maintain the proposed fleet. As an EMSVO, Applicant will personally manage all dispatching and operations, ensuring a higher level

of safety oversight than large regional carriers.

9. Financial Capacity: Denied. Applicant has already submitted a notarized bank statement and vehicle registration for a specialized 2025 Chrysler Voyager, demonstrating sufficient capital and equipment under 52 Pa. Code § 41.14(a)(1).
10. Service Adequacy: Denied. A one-vehicle fleet is perfectly adequate to provide efficient service to the requested territory, particularly as modified by the Chester County carve-out and 15-mile MATP radius offered below. A localized, North Philadelphia-based provider offers more "reasonable and efficient service" to the 19140 community than distant suburban carriers.
11. Financial Records and GAAP: Denied. Applicant is prepared to maintain records in accordance with Generally Accepted Accounting Principles (GAAP) as required by 52 Pa. Code § 29.41(a). As a Member utilizing a brand-new 2025 vehicle under warranty, Applicant has minimized maintenance and salary expenses, ensuring that current liquid assets are more than sufficient to cover all operating costs.
12. Request for Hearing: Denied. Applicant opposes the scheduling of formal hearings. The Restrictive Amendments offered below address the Protestants' territorial concerns and conserve the Commission's resources. Applicant is willing to resolve this matter within 10 days via a Stipulation.

Respectfully submitted

- MATP Radius: Applicant shall not provide MATP or TransNet coordinated service within a 15-mile radius of 432 W Airdrie St, Philadelphia.

WHEREFORE, Applicant requests that the Commission approve the application subject to these amendments and dismiss the Protest.
