A-2023-3043384

TO ALL PARTIES OF RECORD

Application of DB Rentals LLC for approval of installation of warning devices at the public crossing 510453A where 6th Street crosses, at grade, of tracks of Norfolk Southern Railway Company located in the City of Monongahela in Washington County, Pennsylvania.

To Whom It May Concern:

This matter is before us by reason of an application received by the Commission on October 2, 2023, by DB Rentals LLC seeking Commission approval to alter the public crossing (DOT 510 453 A) where Sixth Street crosses, at grade, two (2) tracks of Norfolk Southern Railway Company located in the City of Monongahela, Washington County.

A field investigation and conference was arranged by a Commission staff engineer and held on November 16, 2023, at the site of the subject crossing to discuss the matters involved. At the time of the field conference the exact scope of work was not determined, and the application was held in abeyance.

The applicant has since indicated to a Commission staff engineer that it does not wish to pursue the crossing alteration project and requests the application be withdrawn. A Commission staff engineer made numerous attempts at contacting the applicant to request a Petition to withdraw its application be filed. Because we have received no response to our inquiries, the Commission shall dismiss the application. All parties of interest are hereby notified of this dismissal.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code, THEREFORE:

1. The application filed with the Commission dated October 2, 2023, be dismissed without prejudice.
2. The case be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered.
