Re: Letter of Notification of PECO Energy Company for Construction of the 220-80 230 kV Transmission Line and 220-101 230 kV Transmission Line Located in Montgomery County, Pennsylvania.

Dear Mr. Kulak:

On September 9, 2025, PECO Energy Company (PECO) filed a Letter of Notification for approval to construct the 220-80 230 kV Transmission Line and 220-101 230 kV Transmission Line in Montgomery County, Pennsylvania. In order for us to complete our analysis of the subject application, the Bureau of Technical Utility Services requires answers to the enclosed data requests. This information is necessary for completion of our review of the filing.

Please forward the requested information to the Secretary of the Commission **within thirty (30) days** of receipt of this letter. Failure to respond may result in the Letter of Notification being denied. As well, if PECO has decided to withdraw its filing, please reply notifying the Commission of such a decision.

All documents requiring notary stamps must have original signatures. The Commission strongly encourages submission through efilings with the Secretary of the Commission by opening an efilings account through the Commission's website and accepting eservice at <https://efiling.puc.pa.gov>. The Commission is accepting all public documents through our efilings system at this time.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above when filing your response and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.

The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street, 2nd Floor
Harrisburg, PA 17120

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, [print name of appropriate company representative], hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

Docket Nos. A-2025-3057320 & P-2025-3057330

- A-14 Please explain how withdrawal from the DOE grant gives PECO greater flexibility to manage and prioritize projects in a way that allows PECO to reallocate funding to projects that maximize or enhance grid reliability, resiliency, and expanding capacity.
- A-15 Please provide specific examples of what is meant by “projects that maximize or enhance grid reliability, resiliency, and expanding capacity.”
- A-16 Please explain whether the \$33 million in approved DOE funding is tied to milestones relating to the construction of the Forge Springs Substation Transmission Line Project located in Norristown, West Norriton, and Upper Merion Townships, Montgomery County, PA. in part or in whole. If so, please explain the portion of the funding, if any, tied to or dependent upon this particular project.
- A-17 Please explain whether PECO has withdrawn from seeking funding, and if so, how much funding of the \$33 million award has PECO received so far?
- A-18 Please explain whether PECO has returned any DOE funding it has received or whether PECO required to return funding to the DOE upon withdrawal from the award that could have been used towards cost recovery for this project.
- A-19 Please explain whether PECO has permission from the DOE to reallocate funds received to other projects after PECO withdraws from its award.
- A-20 Please explain whether PECO has permission to keep DOE funding received before withdrawing from the award and to use the funds towards other projects than the instant one.
