STATUS REPORT

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

Duquesne Light Company (“Duquesne Light” or the “Company”) submits the following Status Report to Administrative Law Judge Katrina L. Dunderdale (the “ALJ”). Duquesne Light has been authorized to present this Status Report on its behalf as well as on behalf of Clovernote Holdings, LLC (“Clovernote”) and Hudson Energy Services, LLC (“Hudson”) (collectively, the “Parties”).

I. Introduction

On May 9, 2025, the Parties participated in a Prehearing Conference presided over by Special Agent Michael Mroczka (“Special Agent”). At the Prehearing Conference, the Parties agreed to suspend the litigation schedule in this matter to gather information and discuss settlement. Also on May 9, 2025, the Special Agent issued an Interim Order Suspending Litigation Schedule, which suspended the litigation schedule and required the Parties to file monthly status reports on the last business day of every month, until this matter is resolved by settlement, or a hearing or prehearing conference is requested. On May 30, July 1, July 31, August 29, October 1, October 31, November 26, and December 30, 2025, and January 30, 2026, the Parties submitted

status reports. On October 22, 2025, the Commission issued a Judge Change Notice, reassigning this case to the ALJ.

II. Status Report

The Parties are continuing to exchange information and engage in settlement negotiations in an attempt to resolve all issues raised in the Complaint. As such, the Parties respectfully request additional time to continue to pursue settlement, and to provide another status report on March 31, 2026, or earlier if settlement discussions conclude.

III. Conclusion

WHEREFORE, Duquesne Light Company, Clovernote Holdings, LLC, and Hudson Energy Services, LLC jointly request that the Administrative Law Judge Katrina L. Dunderdale accept this Status Report as the Parties continue to work together to resolve this matter.

Respectfully submitted,

Megan Rulli
