***Total Residential Households By County is based on the Needs Assessments from the FirstEnergy Fifth Amended Joint USECP 2024-2028. The assessment is based on the 2018-2022 American Community Survey 5-Year Estimates and FirstEnergy data. Some counties may be present in multiple rate districts. The No. of Estimated FirstEnergy (FE) Customers < 150% of Poverty is calculated based on the Percent of Households under 150% Poverty by county from the 2018-2022 American Community Survey 5-Year Estimates.
