RE: Electric Generation Supplier License Application

Dear Mr. Elias:

On February 24, 2026, the Pennsylvania Public Utility Commission (Commission) received Elias Energy Group LLC's incomplete Application for an Electric Generation Supplier (EGS) license.

Sections 2.b, 7.a, and 7.b of the Application were incomplete or not properly completed (missing formation documentation, financial security is not an original document with wet signatures and raised seal, financial security is also missing the issuing surety's city, and missing financial fitness documentation). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilings system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilings system and strongly recommends companies open an efilings account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilings system will ensure that submissions by the company are received timely and receipt can be verified.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's SharePoint File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the SharePoint File system. Make sure to reference the Docket Number listed above and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information

¹ See Pa. Code 52 § 54.32(e)

is deemed to be of a confidential nature. Please note, financial securities must be sent by overnight delivery.

The overnight address for hard-copy or confidential responses is:
