To Whom It May Concern

This letter is to serve as formal notification that I am no longer in need of PUC authority. My PUC number is PUC-A00116802. I closed my business on February 14, 2023. I had received notification at that time that without an updated insurance certificate, that my authority had been cancelled. I have been in contact with Mr. Grant Russell at the PUC and am currently up to date with all fees owed for assessments and penalties. Mr. Russell has told me that the records show that my authority was still active and recommended that I write this letter to serve as my request to have my authority permanently cancelled. I hope this letter will suffice in doing that. Thank you in advance for your help, and please feel free to contact me if any other information is needed to resolve this matter.
