RE: PUC # A-6426846

To whom it may concern.

I recently sent in my application for Limousine Authority with a cashier's check in the amount of \$350.

I first would like to mention that two members of the PUC staff, Josh & Tatjana were outstanding. They were patient & very courteous to me during the process of sending in the paperwork. I had many questions and they provided me with excellent service.

After thinking about it, I would like to withdraw my application for Limousine Authority and stick with my Para Transit and Airport Transfer Authorities that I currently possess.

I apologize if someone invested any time looking into my application. Since I'm not interested in the Limousine Authority at this time, I would like the fee that I sent (\$350) to be returned to me at your earliest convenience.

I have a small business, and that amount of money would be nice to have back in my bank account to pay our staff and expenses. I hope you understand.

Thank you very much.
