RE: *Monroe Energy, LLC, Lucknow-Highspire Terminals, LLC, Sheetz, Inc.,  
and PBF Holding Company LLC v. Laurel Pipe Line Company, L.P.*, Docket  
No. C-2025-3053018

Dear Parties:

On January 14, 2026, the Commission entered an Initial Decision in the above-referenced matter. Numerous parties have filed exceptions and reply exceptions to the Initial Decision. Because exceptions and reply exceptions have been filed, this matter is still currently pending before the Commission.

On March 6, 2026, the Commission received a letter from State Senator Lisa Boscola. Senator Boscola's letter was addressed to Commission Chairman, Steven DeFrank, and carbon copied to the remaining Commissioners and the undersigned as the Secretary of the Commission. Senator Boscola's letter contains statements and additional averments regarding the issues litigated and the Initial Decision issued in the above-referenced case.

Because the subject matter of Senator Boscola's letter concerns the merits of a contested matter still pending before the Commission for final consideration, Senator Boscola's letter constitutes an *ex parte* communication prohibited by Section 334(c) of the Pennsylvania Public Utility Code, 66 Pa.C.S. § 334(c). Accordingly, please be advised that, in order to cure the *ex parte* communication, I am placing Senator Boscola's Letter on the docket and serving a copy of this Secretarial Letter and Senator Boscola's letter on all the Parties of Record to this case.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
