# INFORMATION ABOUT THIS BILL

**Basic Charges:** Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge maintaining your service.

**CAP (Customer Assistance Program):** Monthly credit for low-income customers. Please visit [peco.com/help](http://peco.com/help) or call 800-774-7040 for more information.

**Late Payment Charges:** All bills are due and payable by the due date shown on the front of the bill. The due date applies to the current charges only and does not extend the due date for payment of previous charges. Past due amounts may be subject to a late payment charge of 2 percent per month. (1.5 percent for rates GS, POL, R, RH, and RS-2)

**Check Clearing Notification:** When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

**Demand Information (Commercial Customers Only):** Registered Peak Demand is the maximum rate for highest half hour of energy use for each billing period. It is measured in kilowatts (kW) and averaged during a 30-minute period.

**Employee Identification:** All PECO employees and contractors carry a special picture identification card. You may ask to see it. If the employee or contractor cannot provide this identification, you are encouraged to contact PECO immediately at 1-800-494-4000 to report the situation. If you have any concerns for your safety, contact 9-1-1 immediately.

**Meter Reading Schedule:** Your monthly meter reading is scheduled through our automated system. Your scheduled meter reading date is shown on your bill.

**Rate Schedule:** A listing of all of our rates can be found on our website at [peco.com](http://peco.com), in our business office, or by calling 1-800-494-4000. **Basic Charges:** Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge for maintaining your service.

**Reading Your Meter: Actual Reading** – Your meter is read each month by our automated meter reading system. **Customer Reading** – A reading you give us if we cannot read your meter. **Estimated Reading** – If we cannot read your meter, your monthly charges will be based on the average temperature and your past electric and gas use.

## Electric and Gas Terms Used In Your Bill

**Billing Demand (kW):** The calculated or measured rate of energy usage supplied after any required adjustments such as for minimums or power factor.

**Ccf - Hundred Cubic Feet:** Unit of measure for the gas you use. One Ccf is the amount of gas used to run an average size house heater nonstop for one hour.

**Kilowatt Hour (kWh):** Unit of measure for electricity. One kWh is the amount of energy used by a 100-watt bulb for 10 hours.

**Lumen:** Unit of measurement of the quantity of light.

**Meter Multiplier:** A multiplier is a value that is applied to energy units to convert data from the meter into actual energy usage (kWh/Ccf).

**Natural Gas Conversion Charge:** A fixed monthly charge for participating customers enrolled in PECO Smart Natural Gas Conversion neighborhood pilot program.

**Power Factor:** An adjustment applied for inefficient use of power. Percentage of correction applied to the registered/measured demand (kW) to reflect the correct billing demand.

**Price to Compare (PTC):** The price used to evaluate offers from competitive suppliers.

## Delivery

**Balancing Service Charge:** Charge for fixed and variable storage costs for each Ccf of gas delivered.

**Customer Charges:** Monthly basic electric and/or gas charge covering the costs of billing, meter reading, equipment, and maintenance. Customers with multiple meters will have multiple customer charges on their bill.

**Distribution Charges:** Charges to cover the costs associated with delivering electricity and natural gas to customers.

**DSIC - Distribution System Improvement Charge:** A charge to recover the costs associated with the repair and replacement of equipment and to improve and modernize the system to deliver safe and reliable service to customers.

**Energy Efficiency Charge:** To reimburse utilities for the costs associated with energy efficiency and conservation programs as required by Pennsylvania's Act 129.

**Energy Eff & Nonbypassable Trans:** Reimburses utilities for the costs associated with the energy efficiency and conservation programs as required by Pennsylvania Act 129, and certain Transmission charges. (Large Commercial and Industrial Customers Only)

**Service Location Distribution Charge:** A charge to receive service at a particular Service Location, which shall comprise each lighting installation and must be separately connected to a delivery point on the company's secondary circuit.

## Supply

**Administrative Charge:** Charges to reimburse utilities for the costs associated with buying electricity for customers.

**Ancillary Charge:** Charges to reimburse utilities for the cost associated with operating the system that moves energy from generating stations to PECO's system for delivery to its customers.

**Gas Cost Adjustment (GCA):** Either a credit or charge reflecting the difference between utilities projected and actual costs to purchase natural gas for customers.

**Generation Charges:** Charges to reimburse utilities for the costs to purchase electricity for customers. These charges are passed along to customers at the exact price PECO pays, with no markup. If the generation service is from an electric generation supplier, it is competitively priced and is not regulated by the Public Utility Commission.

**Natural Gas Supply Charges:** Charges to reimburse utilities for the costs to purchase natural gas for customers. These charges are passed along to customers at the exact price PECO pays, with no mark up.

**Peak Load Contribution:** A customer's contribution to PECO's peak load at the time of highest demand from the previous summer.

**Purchased Generation Adj.:** Either a credit or charge reflecting the difference between utilities projected and actual costs to purchase electricity for default service customers.

**Transmission Charges:** Charges to move electricity from generating stations to PECO's electric delivery system for customers not shopping for generation supply with a competitive electric generation supplier. The Federal Energy Regulatory Commission regulates transmission prices and services.

**Working Capital Charge:** Charge to compensate PECO for costs incurred during the period when service was provided to its default service customers and when payment was received.

## Taxes

**Federal Tax Adjustment:** Either a credit or charge reflecting certain changes in federal taxes.

**Sales Tax:** Charges imposed by the government for the sale of certain goods and services.

**State Gross Receipts Tax:** State tax on electric utilities. This is included in PECO's basic charges.

**State Tax Adjustment:** Either a credit or charge reflecting certain changes in state taxes. It may include part of the State Gross Receipts Tax.

# INFORMATION ABOUT THIS BILL

**Basic Charges:** Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge maintaining your service.

**CAP (Customer Assistance Program):** Monthly credit for low-income customers. Please visit [peco.com/help](http://peco.com/help) or call 800-774-7040 for more information.

**Late Payment Charges:** All bills are due and payable by the due date shown on the front of the bill. The due date applies to the current charges only and does not extend the due date for payment of previous charges. Past due amounts may be subject to a late payment charge of 2 percent per month. (1.5 percent for rates GS, POL, R, RH, and RS-2)

**Check Clearing Notification:** When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

**Demand Information (Commercial Customers Only):** Registered Peak Demand is the maximum rate for highest half hour of energy use for each billing period. It is measured in kilowatts (kW) and averaged during a 30-minute period.

**Employee Identification:** All PECO employees and contractors carry a special picture identification card. You may ask to see it. If the employee or contractor cannot provide this identification, you are encouraged to contact PECO immediately at 1-800-494-4000 to report the situation. If you have any concerns for your safety, contact 9-1-1 immediately.

**Meter Reading Schedule:** Your monthly meter reading is scheduled through our automated system. Your scheduled meter reading date is shown on your bill.

**Rate Schedule:** A listing of all of our rates can be found on our website at [peco.com](http://peco.com), in our business office, or by calling 1-800-494-4000. *Basic Charges:* Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge for maintaining your service.

**Reading Your Meter:** *Actual Reading* – Your meter is read each month by our automated meter reading system. *Customer Reading* – A reading you give us if we cannot read your meter. *Estimated Reading* – If we cannot read your meter, your monthly charges will be based on the average temperature and your past electric and gas use.

## Electric and Gas Terms Used in Your Bill

**Billing Demand (kW):** The calculated or measured rate of energy usage supplied after any required adjustments such as for minimums or power factor.

**Ccf - Hundred Cubic Feet:** Unit of measure for the gas you use. One Ccf is the amount of gas used to run an average size house heater nonstop for one hour.

**Kilowatt Hour (kWh):** Unit of measure for electricity. One kWh is the amount of energy used by a 100-watt bulb for 10 hours.

**Lumen:** Unit of measurement of the quantity of light.

**Meter Multiplier:** A multiplier is a value that is applied to energy units to convert data from the meter into actual energy usage (kWh/Ccf).

**Natural Gas Conversion Charge:** A fixed monthly charge for participating customers enrolled in PECO Smart Natural Gas Conversion neighborhood pilot program.

**Power Factor:** An adjustment applied for inefficient use of power. Percentage of correction applied to the registered/measured demand (kW) to reflect the correct billing demand.

**Price to Compare (PTC):** The price used to evaluate offers from competitive suppliers.

## Delivery

**Balancing Service Charge:** Charge for fixed and variable storage costs for each Ccf of gas delivered.

**Customer Charges:** Monthly basic electric and/or gas charge covering the costs of billing, meter reading, equipment, and maintenance. Customers with multiple meters will have multiple customer charges on their bill.

**Distribution Charges:** Charges to cover the costs associated with delivering electricity and natural gas to customers.

**DSIC - Distribution System Improvement Charge:** A charge to recover the costs associated with the repair and replacement of equipment and to improve and modernize the system to deliver safe and reliable service to customers.

**Energy Efficiency Charge:** To reimburse utilities for the costs associated with energy efficiency and conservation programs as required by Pennsylvania's Act 129.

**Energy Eff & Nonbypassable Trans:** Reimburses utilities for the costs associated with the energy efficiency and conservation programs as required by Pennsylvania Act 129, and certain Transmission charges. (Large Commercial and Industrial Customers Only)

**Service Location Distribution Charge:** A charge to receive service at a particular Service Location, which shall comprise each lighting installation and must be separately connected to a delivery point on the company's secondary circuit.

## INFORMATION ABOUT THIS BILL

**Basic Charges:** Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge maintaining your service.

**CAP (Customer Assistance Program):** Monthly credit for low-income customers. Please visit [peco.com/help](http://peco.com/help) or call 800-774-7040 for more information.

**Late Payment Charges:** All bills are due and payable by the due date shown on the front of the bill. The due date applies to the current charges only and does not extend the due date for payment of previous charges. Past due amounts may be subject to a late payment charge of 2 percent per month. (1.5 percent for rates GS, POL, R, RH, and RS-2)

**Check Clearing Notification:** When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

**Demand Information (Commercial Customers Only):** Registered Peak Demand is the maximum rate for highest half hour of energy use for each billing period. It is measured in kilowatts (kW) and averaged during a 30-minute period.

**Employee Identification:** All PECO employees and contractors carry a special picture identification card. You may ask to see it. If the employee or contractor cannot provide this identification, you are encouraged to contact PECO immediately at 1-800-494-4000 to report the situation. If you have any concerns for your safety, contact 9-1-1 immediately.

**Meter Reading Schedule:** Your monthly meter reading is scheduled through our automated system. Your scheduled meter reading date is shown on your bill.

**Rate Schedule:** A listing of all of our rates can be found on our website at [peco.com](http://peco.com), in our business office, or by calling 1-800-494-4000. *Basic Charges:* Charges, based on rates approved by Pennsylvania Public Utility Commission, for the energy you used plus a monthly charge for maintaining your service.

**Reading Your Meter:** *Actual Reading* – Your meter is read each month by our automated meter reading system. *Customer Reading* – A reading you give us if we cannot read your meter. *Estimated Reading* – If we cannot read your meter, your monthly charges will be based on the average temperature and your past electric and gas use.

### Electric and Gas Terms Used In Your Bill

**Billing Demand (kW):** The calculated or measured rate of energy usage supplied after any required adjustments such as for minimums or power factor.

**Ccf - Hundred Cubic Feet:** Unit of measure for the gas you use. One Ccf is the amount of gas used to run an average size house heater nonstop for one hour.

**Kilowatt Hour (kWh):** Unit of measure for electricity. One kWh is the amount of energy used by a 100-watt bulb for 10 hours.

**Lumen:** Unit of measurement of the quantity of light.

**Meter Multiplier:** A multiplier is a value that is applied to energy units to convert data from the meter into actual energy usage (kWh/Ccf).

**Natural Gas Conversion Charge:** A fixed monthly charge for participating customers enrolled in PECO Smart Natural Gas Conversion neighborhood pilot program.

**Power Factor:** An adjustment applied for inefficient use of power. Percentage of correction applied to the registered/measured demand (kW) to reflect the correct billing demand.

**Price to Compare (PTC):** The price used to evaluate offers from competitive suppliers.

### Delivery

**Balancing Service Charge:** Charge for fixed and variable storage costs for each Ccf of gas delivered.

**Customer Charges:** Monthly basic electric and/or gas charge covering the costs of billing, meter reading, equipment, and maintenance. Customers with multiple meters will have multiple customer charges on their bill.

**Distribution Charges:** Charges to cover the costs associated with delivering electricity and natural gas to customers.

**DSIC - Distribution System Improvement Charge:** A charge to recover the costs associated with the repair and replacement of equipment and to improve and modernize the system to deliver safe and reliable service to customers.

**Energy Efficiency Charge:** To reimburse utilities for the costs associated with energy efficiency and conservation programs as required by Pennsylvania's Act 129.

**Energy Eff & Nonbypassable Trans:** Reimburses utilities for the costs associated with the energy efficiency and conservation programs as required by Pennsylvania Act 129, and certain Transmission charges. (Large Commercial and Industrial Customers Only)

**Service Location Distribution Charge:** A charge to receive service at a particular Service Location, which shall comprise each lighting installation and must be separately connected to a delivery point on the company's secondary circuit.

### Supply

**Administrative Charge:** Charges to reimburse utilities for the costs associated with buying electricity for customers.

**Ancillary Charge:** Charges to reimburse utilities for the cost associated with operating the system that moves energy from generating stations to PECO's system for delivery to its customers.

**Gas Cost Adjustment (GCA):** Either a credit or charge reflecting the difference between utilities projected and actual costs to purchase natural gas for customers.

**Generation Charges:** Charges to reimburse utilities for the costs to purchase electricity for customers. These charges are passed along to customers at the exact price PECO pays, with no markup. If the generation service is from an electric generation supplier, it is competitively priced and is not regulated by the Public Utility Commission.

**Natural Gas Supply Charges:** Charges to reimburse utilities for the costs to purchase natural gas for customers. These charges are passed along to customers at the exact price PECO pays, with no markup.

**Peak Load Contribution:** A customer's contribution to PECO's peak load at the time of highest demand from the previous summer.

**Purchased Generation Adj.:** Either a credit or charge reflecting the difference between utilities projected and actual costs to purchase electricity for default service customers.

**Transmission Charges:** Charges to move electricity from generating stations to PECO's electric delivery system for customers not shopping for generation supply with a competitive electric generation supplier. The Federal Energy Regulatory Commission regulates transmission prices and services.

**Working Capital Charge:** Charge to compensate PECO for costs incurred during the period when service was provided to its default service customers and when payment was received.

### Taxes

**Federal Tax Adjustment:** Either a credit or charge reflecting certain changes in federal taxes.

**Sales Tax:** Charges imposed by the government for the sale of certain goods and services.

**State Gross Receipts Tax:** State tax on electric utilities. This is included in PECO's basic charges.

**State Tax Adjustment:** Either a credit or charge reflecting certain changes in state taxes. It may include part of the State Gross Receipts Tax.

## Matching Energy Assistance Fund (MEAF) Pledge Form

You can help low-income PECO customers pay their energy bills by making a donation to the Matching Energy Assistance Fund (MEAF). When you do, PECO will match your contribution, dollar for dollar – to double the amount of money donated to MEAF. It's easy to make a difference in the community, just complete this form and mail it with your payment. For questions or more information, please visit [peco.com/help](http://peco.com/help) or call 1-800-403-6806.
