Re: Kurt Knapp v. Philadelphia Gas Works; Docket No. F-2025-3058237

Dear ALJ Shadie Nause:

Enclosed, please find PGW's proposed exhibits for the hearing in the above-referenced matter.

PGW would respectfully request that the parties have a pre-hearing conference directly before the hearing itself, to clarify all the issues the Court wishes to proceed with at the hearing and ensure PGW can and does produce all relevant exhibits. For example, the shut-off Mr. Knapp is disputing occurred at the Service Address in question, but for another customer's account; PGW has not included exhibits regarding the shut-off, both because we believe Mr. Knapp lacks standing in the matter, but also, more importantly, because we would need an order from the Court to produce that customer's account information as an unjoined party, and would request guidance from the Court on redactions, or potential joinder.

Sincerely,

/s/ Tracy Tripp
