Petition for Reconsideration

To Whom It May Concern:

1. GMT Transportation LLC ("Applicant") respectfully submits this Petition for Reconsideration of the denial of its application for authority to operate as a Motor Common Carrier of Persons in Paratransit Service.
2. On March 2, 2026, the Applicant filed an application with the Pennsylvania Public Utility Commission seeking authority to provide non-emergency paratransit transportation services.
3. On March 5, 2026 at approximately 6:22 AM, the Applicant submitted a revised copy of the application solely to correct an omission of Vehicle Identification Numbers (VIN) that had not been included in the previously filed application.
4. On March 6, 2026 at approximately 12:42 PM, the Applicant received correspondence from the Commission requesting additional information and documentation regarding policies, safety procedures, and financial fitness.
5. The Applicant's March 5 filing was not intended to serve as a response to the Commission's data request because the request had not yet been issued at the time that corrected application was submitted.

6. The Applicant is currently preparing a complete response to the Commission's March 6, 2026 data request and is in the process of compiling the requested policies, safety program documentation, and financial information. The Applicant intends to submit the complete response and support documentation promptly so that the Commission may fully evaluate the application.
7. The Applicant respectfully notes that the requested information and supporting documentation addressing the Commission's March 6, 2026 data request has now been prepared or is in the final stages of preparation. Allowing the application to proceed will permit the Commission to evaluate the Applicant's complete submission without requiring the filing of a new application and the duplication of administrative processing.
8. The Applicant remains committed to operating in full compliance with all applicable regulations of the Pennsylvania Public Utility Commission and to providing safe, reliable, and efficient transportation services within the proposed service area.
9. The Applicant respectfully requests that the Commission reconsider the denial of the application and permit the application to proceed so that the Applicant's complete response and supporting documentation may be reviewed.

WHEREFORE

WHEREFORE, GMT Transportation LLC respectfully requests that the Pennsylvania Public Utility Commission reconsider the denial of the Applicant's application and allow the application to proceed so that the requested information and supporting documentation may be fully evaluated.

Respectfully submitted,

Mohammed Yusuf
