Data Request

1. Before your application can be processed further, you are required to provide an acceptable description of the proposed service area. Your request should be limited to a scope which can be supported by your present resources and financial position. As your business grows, additional territories and rights may be applied for. Applicants who request service areas beyond the scope of their resources risk the outright denial of their application, or possible Commission dictated revisions to their original request.

Your proposed service area must be fully bound, and easily discernible. Terms such as, “Lehigh Valley” are not suitably specific. The use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc., are generally specific enough.

YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.

Example:

- a. Between points in Pennsylvania
 - b. between points in the counties of X, Y, and Z.
 - c. from points in the counties of X, Y, and Z, to points in Pennsylvania, and return.
 - d. from points in the counties of X, Y, and Z, to points in the counties of A, B, and C, and return
2. In response to Question #5: **when asked to provide a plan you are expected to provide a PLAN which is fully responsive to each portion of the question** and to ensure that the plan satisfies the requirements of 52 Pa Code. You may hire a third party to execute the actual check, but you, as the applicant, are expected to establish a policy which complies with the governing laws and regulations. You are also expected to provide this Commission with written evidence of said plan/policies.
 - a. In reference to Question #5
 - i. You are specifically advised to review the requirements of the following chapters of 52 Pa Code **and to submit EVIDENCE of compliant plan for drivers which completely addresses the following:**

- § 29.503. Driver Age
 - § 29.504. Driver history (record retention)
 - § 29.505. Criminal history (schedule and record retention)
- b. Provide a clear statement for the number of drivers you intend to employ and a statement explaining why you believe that number to be adequate for the proposed territory and operations.
3. You have failed to provide an explanation as to why you feel the number of vehicles you intend to operate is adequate. Please provide a complete response.
4. Your vehicle safety program is inadequate as described. Please provide a copy of your complete safety program and include copies of your vehicle maintenance plan.

Can provide a copy of your daily vehicle inspection checklists?

5. Please provide information on your insurance quotes. Include the provider's name, policy limits, and annual costs. Do you intend to pay your premiums in monthly installments, or will you pay the entire premium in advance?

- a. The statement presented must be **DATED and comprised of information which is less than 6 months old.**
 - b. The submission **MUST be comprised of information which is accurate as of the date provided.**
 - c. **The information is to be exact and should not include estimates or approximations when accurate numbers are available.** Property and vehicle valuations may be approximations; however, if the valuation is higher than typical Kelly Blue Book (or similar) valuations, you should provide an explanation as to why (e.g. vehicle with an installed wheelchair lift, etc). Bank accounts and loan balances should be exact amounts (rounded to the nearest dollar).
 - d. **ALL relevant assets and debts** are to be included (**vehicle loan balances/vehicle asset value, lease expenses, etc.**).

LLC. Property must be titled to ZYLO MEDICAL TRANSPORTATION LLC. Relevant Vehicle and facility leases should also be properly shown and allocated. If these items are not in the name of ZYLO MEDICAL TRANSPORTATION LLC, they should NOT be included on the balance sheet.

If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your updates). Applicants lacking suitable finances, resources, and equipment will be denied authority.

Finally, in order to fully assist the Commission in verifying your financial fitness, please provide supporting documentation for the statement of financial position (balance sheet). Acceptable means of support include current copies of bank statements (account numbers may be redacted), and/or notarized/official statements of account balances/ownership provided by bank officers (with current contact information).
