**6. RATES AND CHARGES (CONTINUED)**

6.5 Contract Services

At the option of the Company, service may be offered on a contract basis to meet specialized requirements of the Confinement Facility not contemplated in this tariff. The terms of each contract shall be mutually agreed upon between the Confinement Facility and the Company and may include discounts off of rates contained herein, waiver of recurring or nonrecurring charges, charges for specially designed and constructed services not contained in the Company’s general service offerings, or other customized features. The terms of the contract may be based partially or completely on the term and volume commitment, type of originating or terminating access, mixture of services for other distinguishing features. Service shall be available to all similarly situated Confinement Facilities for a fixed period of time following the initial offering to the first contract Confinement Facility as specified in each individual contract.
