Change: Updated biographies

Officer/Management Biographies

Michael Smith – Chief Executive Officer -- Mr. Smith has over 25 years of leadership experience in the energy industry. Michael joins CPower from ForeFront Power, where he was the CEO of the company's North American solar and energy storage business, responsible for strategy and all business areas across the U.S. and Mexico. Prior, he served as Senior Vice President, Distributed Energy, at Constellation, the retail energy subsidiary of Exelon Corp., where he was responsible for Constellation's distributed solar, energy efficiency, and energy asset operations businesses across the U.S. He also served as Vice President, Innovation and Strategy Development, for Exelon Generation, and led Constellation Technology Ventures, Exelon's venture investing organization. Michael holds a bachelor's degree in political science and economics from the University of Miami and a JD from Duke University School of Law.

Tatiana Startseva – Chief Financial Officer – Ms. Startseva is an experienced accounting and finance executive with a demonstrated history of working in the renewables and energy industry. She joined CPower in 2015 and has held a variety of roles across the finance function, consistently demonstrating exceptional financial acumen and providing outstanding leadership in advancing CPower's strategic goals. Prior to CPower, Tatiana worked at Price Waterhouse Coopers, where she spent four years in public accounting. Tatiana holds an MBA from the University of Illinois and a Bachelor of Science in Accounting from Towson University. She is also a Certified Public Accountant.

Glenn Bogarde – Chief Sales and Marketing Officer – Mr. Bogarde has more than 20 years of progressively increasing responsibility in selling and delivering enterprise software & consulting in the energy & utility market. Mr. Bogarde currently oversees all sales and business development activities for CPower. Prior to joining CPower, he held several senior level leadership positions across the energy arena, including, Senior Vice President of Global Sales & Marketing at P2 Energy Solutions, National Vice President at SAP America, Inc. where he managed the Energy consulting practice, leading the strongest growth business in the North America Field Services organization, as well as, Oracle, Ventyx, and i2 Technologies. Mr. Bogarde earned his Bachelor of Science in business administration degree from Towson University, MD.

Shelley Schopp -- Chief Operating Officer – Ms. Schopp has more than 20 years of energy experience and has led various operational teams. Her primary focus was on the wholesale and generation/load side of the industry. In her current role at CPower, she oversees cross-functional teams with responsibilities including Engineering, Dispatch Desk, Enrollments, Contracts, Settlements and Payments. Prior to CPower, she took on roles of increasing responsibility at Mirant Energy, Orion Power, and Constellation/Exelon. Ms. Schopp holds a bachelor's degree in marketing from Kennesaw State University.

Stephen Oyler – Vice President of Compliance and Risk Management - Mr. Oyler brings a varied background in the energy industry through experience at several companies including General Electric, Eaton Corporation, and Westinghouse Electric Company. He manages the Market Compliance program and Committee which is a broad team responsible for ensuring appropriate transactions occur in all markets. Mr. Oyler also manages the company's risk program and insurance operations across each market and office. Mr. Oyler earned degrees in accounting and international business from Pennsylvania State University, a Master of Science in international business and MBA from the University of Pittsburgh, Stanford University's strategic decision and risk management program, and graduate certificates in Carnegie Mellon University's Chief Risk Officer and advanced analytics programs.

Mark Boucher – Senior Director of Market Development - Mr. Boucher was responsible for design, development and implementation of our industry leading software that was used in Phase 1 of PA Act 129 program scheduling, event signaling and settlements, and integration with customer building control systems. Mr. Boucher brings more than 15 years of experience in systems development across various industries including industrial, financial, medical, and energy. Mr. Boucher holds a bachelor's degree from the University of Washington School in business and information technologies.
