Application of Loop Telecom Pennsylvania LLC for
Approval of the Discontinuance and Abandonment of
Competitive Access Provider Services to the Public in
the Commonwealth of Pennsylvania

A-2025-3058410

ORDER

BY THE COMMISSION:

On November 7, 2025, Loop Telecom Pennsylvania LLC (“Loop Telecom” or “Company”), utility code 3126138, filed an Application seeking a Certificate of Public Convenience (Certificate) pursuant to Section 1102(a)(2) of the Public Utility Code, 66 Pa. C.S. § 1102(a)(2), evidencing Commission approval of the discontinuance and abandonment of Competitive Access Provider (CAP) services to the public in the Commonwealth of Pennsylvania.

Loop Telecom is currently certificated to provide telecommunications services as a CAP (Statewide) at Docket No. A-2023-3039781. The Company’s Certificate was granted on September 12, 2023. Loop Telecom proposes to discontinue and abandon the provision of CAP services within Pennsylvania.

Pursuant to the transaction authorized by the Pennsylvania Public Utility Commission on September 19, 2025 (Docket Nos. A-2025-3056166 and A-2025-3056168) (the “Transaction”), Loop Telecom transferred all assets, except for its

Certificate, to Loop Broadband LLC.¹ The Company states that following the completion of the Transaction, Loop Telecom no longer utilizes its Certificate to provide or offer any services and has no revenues or customers.² The Company further states that it has ceased the offering of telecommunications services as of September 30, 2025.

The Company is current on all assessments, reports, and regulatory fees. The Company has submitted the required filing fee of \$350 with the Application pursuant to 52 Pa. Code § 1.43. There are no NXX codes affected by this Application.

A copy of the Application was sent to the Office of Consumer Advocate, the Office of Small Business Advocate, and the Office of the Attorney General as evidenced by the Certificate of Service submitted with the Application. No protests were made since the Application was filed and no hearings were held. In addition, no motions or petitions were filed in this proceeding.

Upon full consideration of all matters of record pertaining to the Application, we find that approval of the Application would be in the public interest. Upon abandonment, all rights and privileges as a public utility existing under the Certificates now subject to abandonment in Pennsylvania, including but not limited to all rights and privileges with eminent domain authority, zoning exemptions, and public right-of-way occupancy, shall be revoked; **THEREFORE,**

IT IS ORDERED:

1. That the Application of Loop Telecom Pennsylvania LLC is hereby approved.
2. That a Certificate of Public Convenience be issued pursuant to 66 Pa. C.S. § 1102(a)(2) authorizing the Discontinuance and Abandonment of Competitive Access Provider services by Loop Telecom Pennsylvania LLC to the public within the Commonwealth of Pennsylvania, as specified in the Application.

¹ Application p. 2.

² Application p. 2.

3. That the Secretary's Bureau cancel and remove Loop Telecom Pennsylvania LLC's tariffs from the active files and that Loop Telecom Pennsylvania LLC be removed from the active lists maintained by the Bureau of Technical Utility Services and the Bureau of Administrative Services.

4. That upon issuance of a Certificate of Public Convenience authorizing Loop Telecom Pennsylvania LLC's Discontinuance and Abandonment of Competitive Access Provider services in Pennsylvania, Loop Telecom Pennsylvania LLC's rights and privileges as a Pennsylvania public utility, including but not limited to all rights and privileges with eminent domain authority, zoning exemptions, and public rights-of-way occupancy, are revoked.

5. That a copy of this Order be served on the Bureau of Registration and Taxpayer Management in the Pennsylvania Department of Revenue and Pennsylvania Emergency Management Agency 911 Office.

6. That this case be marked closed.

BY THE COMMISSION,

Matthew L. Homsher
Secretary
