Request for Information

1.) Question # 8 of the Verified Statement.

A.) Have you verified that your policy would support the filing of a Form E with the Commission?

2.) Financial Position.

A.) Please verify that all assets and debts listed (for example: vehicle loan balances/vehicle asset value, etc.) in the submitted Statement of Financial Position (Balance Sheet) are held by the applicant (LLS Towing & Recovery LLC) and not the member(s). Any property listed **MUST** be held to the company which is applying for authority. In your submission, you provided information which states the company owns land/building(s). We need to know if the applicant is co-mingling its assets/debts, which is not permissible. If you have erroneously comingled the applicant's company assets/debts with those of the company member's personal assets/debts, then a revised and improved Balance Sheet with an explanation of what was changed and why is required.

- Based on submitted information on the application and balance sheet, the Commission determines that LLS Towing & Recovery LLC lacks financial position to gain a Certificate of Public Convenience.
- To show improved financial fitness you should show a substantial cash asset amount to cover any costs, vehicle maintenance, insurance coverage, assessments, or possible fines, etc.
- Please ensure that the figures provided are accurate as of the date provided on the balance sheet, and that all figures provided are based on the best available information. The information is to be exact and should not include estimates or approximations when accurate numbers are available.

- B.) At this point it is expected that the applicant's account is now filled and ready to commence operations with the ability to provide safe, efficient, and reliable service. Please provide supporting documentation for the improved balance sheet. Acceptable means of support include current copies of bank statements or notarized/official statements of account balances/ownership provided by bank officers (with current contact information) in the name of "LLS Towing & Recovery LLC". (account numbers may be redacted)
- Any assets which may need transferred to the applicant should happen prior to adding them to the balance sheet.
- C.) Submit proof of ownership of the claimed vehicles and the land/building, such as registrations, titles, purchase agreements, deeds, etc. All proof must be in the name of "LLS Towing & Recovery LLC" or remove these personal items from the applicant's Balance Sheet.
- D.) To be clear, is \$20,000 due within 1 year as reported on the Balance Sheet?

Note: It is the responsibility of the applicant seeking motor common carrier authority to demonstrate that it possesses the financial ability to provide the proposed service. As per 52 Pa. Code §41.14, applications may be denied if the applicant fails to satisfy fitness standards. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier-related proceedings is highly encouraged.
