Request for Information

1.) The Commission is requesting updated bank statements for the entity. We acknowledge that you have a newer vehicle and that you have already purchased commercial motor vehicle insurance, however the Commission would like to see that your bank balances have initial funding that would cover unforeseen circumstances. As such please provide new bank statements as evidence that the entity has sufficient financial funding for the proposed enterprise.

- a. The information provided is to be strictly limited to assets held by the applicant (Mobility Patient Transport Services LLC), and not the individual member(s). Bank accounts must be in the name of Mobility Patient Transport Services LLC.

If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your corrections). Applicants lacking suitable finances, resources, and equipment will be denied authority.

- b. In order to fully assist the Commission in determining your financial fitness, please provide supporting documentation for the statement of financial position. Acceptable means of support include current copies of bank statements (account numbers may be redacted), and notarized/official statements of account balances/ownership provided by bank officers (with current contact information).

You are encouraged to enlist professional financial assistance if you experience difficulty in constructing your statement of financial position. Be advised that failing to provide an acceptable financial statement is sufficient grounds for the denial of your application.
