The In-Person Evidentiary Hearing has been scheduled for March 23, 2026, through March 25, 2026, in Harrisburg, Pennsylvania.

In order to assist the active parties and other interested individuals in the preparation of their briefs and settlement documents in this proceeding, the following Interim Order will be entered.

THEREFORE,

IT IS ORDERED:

Written Testimony/CSI

1. That any motions with respect to, or objections to, written testimony must be presented in writing no later than three days prior to the day that the witness sponsoring that testimony is scheduled to testify. Answers to such motions or objections may be filed no later than the day immediately preceding the day the witness is to testify. Oral objections or motions to strike written testimony, other than for good cause, shall not be accepted.

2. That the parties should do their best to avoid the use of Confidential Security Information (CSI), as defined by 35 P.S. § 2141 *et seq.*, in this proceeding. Where possible, the parties should develop alternative means of introducing information into the record, such as joint stipulations or redaction when proposing testimony or exhibits. If the parties cannot avoid the use of CSI, the parties are to contact the undersigned presiding officers in advance of any submission, and prior to the evidentiary hearing.

## Briefs

3. That the parties must comply with 52 Pa. Code § 5.501, *et seq.*, regarding the preparation and filing of briefs. 52 Pa. Code § 5.501(e) requires that “[b]riefs shall be as concise as possible.” Parties must limit their main briefs to no more than 100 pages and reply briefs to no more than 50 pages. Proposed findings of fact, conclusions of law, proposed ordering paragraphs, and rate tables attached to the briefs and do not count towards the page limits and should be attached to the brief as an attachment, properly marked. The Presiding Officers may elect not to read or consider any portion of any brief that exceeds the set page limit, without further notice or action by the Presiding Officers.

4. That the parties shall, **by 4:30 p.m. on March 26, 2026,** submit to the Presiding Officers a common brief outline addressing the litigated issues, including headings, subheadings, etc., agreed to by all parties for the preparation of their main and reply briefs, settlement petitions and statements in support of settlement. **All briefs and settlement documents, including headings, subheadings, etc., contained therein, to include all sections addressing all issues and sub issues must be written consistent with and pursuant to the common outline timely submitted to the Presiding Officers.** If a brief or settlement document, including a statement in support of settlement, does not completely conform to the outline submitted to the Presiding Officers, the Presiding Officers may elect not read or consider any portion of that brief or settlement document, without further notice or action by the Presiding Officers. Parties are not required to address all issues and may choose to leave certain headings or subheadings blank, with a statement that the section is intentionally being left blank. Further, the parties are reminded of the directive in the Prehearing Order that they must use common abbreviations in their briefs. Failure to use common abbreviations may result in the Presiding Officers electing to not read or consider that brief or settlement document, without further notice or action taken by the Presiding Officers.

5. Service of briefs and settlement documents must be made electronically by email no later than 4:30 p.m. on the due dates. Parties are directed to serve by email a copy of all as-filed briefs and settlement documents to the Presiding Officers and copy the Presiding Officers’ experts in ADOBE or other compatible PDF format in addition to a WORD-formatted document.

6. That all briefs and settlement documents, regardless of length, must contain the following:

- H. Proposed ordering paragraphs specifically identifying the relief sought.
- I. Any references to use of “*Id*” and any emphasis identified in footnotes, shall be italicized and not underlined, for consistency.

7. That all briefs shall comply with the “Instructions for Briefs” attached as Appendix A to this Order as well as the terms and provisions set forth in this Order.

8. A party’s failure to follow the instructions set forth in this Interim Order in the smallest detail may result in non-consideration of that party’s position set forth in any brief or settlement document without further notice or action by the Presiding Officers, regardless of where the record may support it or the position of any other party to this proceeding. In addition, main briefs and any settlement petitions must include proposed findings of fact, conclusions of law and proposed ordering paragraphs. The Parties shall submit to each Administrative Law Judge one copy of each such document filed in this proceeding by email. An electronic version of all briefs, settlement petitions, and statements in support of settlement must be prepared and provided to the presiding officers in Microsoft Office Word format.

## Settlement

9. That the parties are directed to confer amongst themselves in an attempt to resolve all or some of the issues associated with this proceeding. The parties are reminded it is the Commission's policy to encourage settlements. 52 Pa. Code § 5.231(a). The parties are strongly urged to seriously explore this possibility. If a full, unanimous settlement is reached amongst the active parties, a joint settlement petition executed by representatives of all active parties to be bound thereby, along with proposed findings of fact, proposed conclusions of law, and proposed ordering paragraphs, together with statements in support of settlement by all signatory parties, must be filed with the Secretary for the Commission and served, consistent with Commission regulations, and served upon the Presiding Officers and the Presiding Officers' experts.

12. Any settlement petition or joint petition for settlement filed in this proceeding must include an appendix table which sets forth the following information: the current rates for each customer class, the rate increase proposed in the initial filing for each customer class and the rates proposed for each customer class in the petition for settlement. Presentation of rate impacts should be clear and consistent regarding whether the impacts include comparable rates for the time periods and circumstances described. All of these costs and comparisons shall be stated in dollar/cents amounts and in percentages.

13. Any main briefs filed in this proceeding must include an appendix table which sets forth the following information: the current rates for each customer class, the rate increase proposed in the initial filing for each customer class and the rates proposed for each customer class in the petition for settlement and the corresponding rates proposed by the Party sponsoring the brief if making such recommendation. Presentation of rate impacts should be clear and consistent regarding whether the impacts include comparable rates for the time periods and circumstances described. All of these costs and comparisons shall be stated in dollar/cents amounts and in percentages.

14. That any Settlement Petition shall include stipulated findings of fact to include supporting citations to the record evidence for each, proposed conclusions of law, proposed ordering paragraphs and a procedural history, with specific citations to the record, where applicable. In the event of a settlement or the filing of briefs, the Parties shall confer and establish a list of common issues sub issues, as explained further herein, which the Parties shall utilize in the organization of the briefs, settlement petition and all statements in support of settlement in these proceedings.

15. On or before **April 6, 2026**, the Company shall serve by First-Class Mail, postage pre-paid and by email, a copy of any settlement petition filed in this proceeding, upon all parties and all individual Complainants, with instructions that any objections to the settlement petition must be filed with the Commission Secretary and served upon the Parties and the undersigned presiding officers not later than April 13, 2026.

16. On or before **April 6, 2026**, any party filing main briefs shall serve a copy of its main brief filed in this proceeding, upon all Parties, and the undersigned Presiding Officers.

17. On or before **April 15, 2026**, any party filing reply briefs shall serve a copy of its reply brief filed in this proceeding, upon all parties, and the undersigned Presiding Officers.

18. On or before **April 13, 2026**, any objections to any settlement shall be filed and served in this proceeding by the objecting party, upon all parties, the undersigned Presiding Officers and all individual Complainants. The objecting party shall also file and serve a certificate of service upon all Parties, the undersigned presiding officers and all individual Complainants on or before April 13, 2026.
