Re: North Penn Telephone Company
 Revisions to Local Exchange Service Tariff

Dear Mr. Samara:

Commission Staff reviewed the tariff revisions, referenced below, that were made in response to changes to Pennsylvania corporate tax rates. Suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code, the tariff revisions are effective by operation of law according to the effective dates contained on each page, and the case will be closed. However, this does not preclude this Commission from investigating the financial affairs of your company and, in appropriate cases, ordering refunds or other remedies, but only that suspension or further investigation does not appear warranted at this time, and is without prejudice to any formal complaints timely filed against said tariff revisions.

Supplement	Tariff	Description	Filed	Effective
187	2	State Tax Adjustment Surcharge	8/22/2024	9/1/2024

Additionally, the Company requested a waiver of the regulation at 52 Pa. Code § 69.52, STAS Procedures, requiring January and April 2025 STAS filings. We shall approve the waiver and the current STAS filing shall be in effect from September 1, 2024, through August 31, 2025.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition with the Commission within 20 days of the date of this letter. If you have any questions in this matter, please contact John-Paul Rodgers, Telco Section, Bureau of Technical Utility Services at (717) 214-9115 or johrodgers@pa.gov.

Sincerely,

Matthew L. Homsher
 Secretary
