Application of the Department of Transportation of the Commonwealth of Pennsylvania for approval to alter the public crossing (DOT 531 793 U) by the installation of a new crossing surface and active railroad warning devices where Crowl Toot Road (T-340) crosses, at grade, a single track of East Penn Railroad, LLC located in Lower Oxford Township, Chester County, all in accordance with the Federal Grade Crossing Safety Program and the allocation of costs incident thereto.

To Whom It May Concern:

By Secretarial Letter dated January 6, 2025, the Commission approved the subject application, allocation of costs, and assignment of future maintenance responsibilities at the subject crossing.

On January 8, 2026, the Pennsylvania Department of Transportation notified the Commission via email that the alteration of the subject crossing had been completed.

A final inspection was arranged by a Commission staff engineer and held on March 11, 2026, where it was determined that all work had been satisfactorily completed.

No party present at the final inspection stated they were seeking any reimbursement for costs it incurred on the project. We have carefully reviewed the record of this proceeding and find that all outstanding matters have been satisfied by the parties.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that since all work has been satisfactorily completed, the record in this proceeding be "CLOSED."
