Re: Affiliated Interest Agreement – L&J Gas Co., LLC and Apollo Resources, LLC.

Dear Mr. Crist:

On October 9, 2025, L&J Gas Co., LLC (L&J Gas) filed with the Pennsylvania Public Utility Commission (Commission), pursuant to 66 Pa. C.S. §§ 2102, et seq., the above-referenced Affiliated Interest Agreement (AIA or Agreement). By Secretarial Letter of the same date, the Commission extended the statutory consideration period for this Agreement until further action of the Commission.

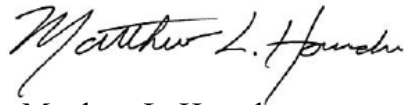

The proposed Agreement seeks Commission approval for L&J Gas to purchase natural gas from Apollo Resources, LLC (Apollo Resources).

L&J Gas is a certificated natural gas distribution company operating in Armstrong County. Apollo Resources is a natural gas production company that produces and sells gas in Armstrong County, Pennsylvania. L&J Gas and Apollo Resources are affiliated interests, as defined by 66 Pa. C.S. § 2101, because of their common ownership by Jesse Colangelo. Under the terms of the proposed Agreement, L&J Gas will purchase approximately 45% of the natural gas required to meet its customer demand from Apollo Resources, with the remaining approximately 55% supplied by an unaffiliated primary supplier, Snyder Brothers, Inc. Peoples Natural Gas Company, LLC (Peoples Gas) is the local gas utility interconnected with the L&J Gas distribution system. L&J Gas shall pay Apollo Resources a monthly variable rate equal to the Henry Hub index price plus \$3.00 per MCF.

The term of the Agreement is one year, commencing upon the date of Commission approval, and shall automatically renew on a year-to-year basis thereafter, unless amended by L&J Gas in accordance with the provisions of the Agreement.

Upon review of the filing, it does not appear that the Agreement is unreasonable or contrary to the public interest. Therefore, the AIA is hereby approved. This approval will apply only to this Agreement, services, matters, and parties specifically and clearly defined under this instant proceeding as well as under any associated and previously filed filings. However, approval of this filing does not constitute a determination that the associated costs or expenses are reasonable or prudent for the purpose of determining just and reasonable rates. Furthermore, the Commission's approval is contingent upon the possibility that subsequent audits, reviews and inquiries in any Commission proceeding may be conducted, pursuant to 66 Pa. C.S. §§ 2102, *et seq.*

Sincerely,
