RE: Bond Continuation
Lower Electric LLC
A-2009-2143793

Dear Ms. Urkov:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Lower Electric LLC because it is **photocopy**, and not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature for the surety company.

We have a Continuous Bond on file for Lower Electric LLC; therefore, no further action is required at this time.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large, stylized 'M'.

Matthew L. Homsher
Secretary
