Re: Application of Prime Transport Care LLC for **Paratransit** authority, 3 Lake Point Drive, Harrisburg, Dauphin County, Pennsylvania 17111. (717) 710-0519

To whom it may concern:

The purpose of this Letter is to advise you that your application for **Paratransit** authority at Docket No. A-2026-3060231 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience shall not be granted for the following reason(s):

- **Failure to establish fitness to operate.** Under 52 Pa. Code §41.14(4) The Commission is to determine whether an applicant possesses the technical and financial ability to provide the proposed service. On February 9, 2026, the applicant was issued a data request directing them to provide compliant policies/plans for the hiring/employment of drivers of its vehicles. In its request, the Commission provided the relevant statutory citations and relevant guidance for the applicant to reference when preparing its revisions. The Commission also asked the applicant to provide additional information regarding their vehicle safety program. In their response to the Commission's data request the applicant has been unable to provide compliant policies/plans for the hiring/employment of its drivers that complied with the Commission's regulations, as well as an acceptable vehicle safety program. Therefore, it is has been determined that the applicant lacks the technical fitness required to provide safe, efficient, and reliable transportation.

For this reason(s), your application is **DENIED** and **DISMISSED**.
