RE: Natural Gas Supplier License Application

Dear Mr. Cammisa:

On March 16, 2026, the Pennsylvania Public Utility Commission (Commission) received Meter Energy Technologies LLC's incomplete Application for a Natural Gas Supplier (NGS) license.

Section 8.e of the Application was incomplete or not properly completed (missing a detailed professional resume with date ranges). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilings system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilings system and **strongly** recommends companies open an efilings account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilings system will ensure that submissions by the company are received timely and receipt can be verified.

The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street

If Meter Energy Technologies LLC decides to withdraw its Application, please reply notifying the Commission of such a decision.

Finally, if any problems arise that prevent a full timely response or if any clarification of this letter is required, please contact Stephen Jakab of the Commission's Bureau of Technical Utility Services via e-mail at sjakab@pa.gov.

Sincerely,
